Hinson,Doreen Anyamesem Odame,Eric Kwame Adae,Kwame Adom,2023-10-31 This book explores the issues around small business and entrepreneurial activities in Africa within the context of frequent collapse of businesses seizures by governments lack of access to capital and

raw materials as well as the reliance on the informal sector All these issues the Editors argue have been exacerbated by the advent of the COVID 19 pandemic However entrepreneurship must be at the heart of efforts to transform Africa s economic prospects to ensure sustained economic growth and decent work for all In looking at the development of entrepreneurship for Africa s growth contributors to this edited collection take an evolutionary approach by focusing on entrepreneurial intentions where entrepreneurial ideas are formed customer management which is central to all entrepreneurial business success and by also focusing on local and entrepreneurial business development The book then ends with a discussion around technological innovations in small business development in Africa Covering topics such as social entrepreneurship international joint ventures and the impact of digital platforms this conceptual path provides rich contemporary insights for students researchers and policy makers and contributes to the achievement of SDG 8 targets

The Idea of Anglo-Saxon England in Middle English Romance Robert Allen Rouse, 2005 Using a variety of texts but the Matter of England romances in particular the author argues that they show a continued interest in the Anglo Saxon past from the localised East Sussex legend of King Alfred that underlies the twelfth century Proverbs of Alfred to the institutional interest in the Guy of Warwick narrative exhibited by the community of St Swithun s Priory in Winchester during the fifteenth century they are part of a continued cultural remembrance that encompasses chronicles folk memories and literature

BOOK JACKET *The Idea of the Vernacular* Jocelyn Wogan-Browne, Ian Richard Johnson, 1999 This pioneering anthology of Middle English prologues and other excerpts from texts written between 1280 and 1520 is one of the largest collections of vernacular literary theory from the Middle Ages yet published and the first to focus attention on English literary theory before the sixteenth century It edits introduces and glosses some sixty excerpts all of which reflect on the problems and opportunities associated with writing in the mother tongue during a period of revolutionary change for the English language The excerpts fall into three groups illustrating the strategies used by medieval writers to establish their cultural authority the ways they constructed audiences and readerships and the models they offered for the process of reading Taken together the excerpts show how vernacular texts reflected and contributed to the formation of class gender professional and national identity They open windows onto late medieval debates on women s and popular literacy on the use of the vernacular for religious instruction or Bible translation on the complex metaphorical associations contained within the idea of the vernacular and on the cultural and political role of the courtly writing associated with Chaucer and his successors Besides the excerpts the book contains five essays that propose new definitions of medieval literary theory discuss the politics of Middle English writing the relation of medieval book production to notions of authorship and the status of the prologue as a genre and compare the role of the medieval vernacular to that of postcolonial literatures The book includes a substantial glossary that constitutes the first mapping of the language and terms of Middle English literary theory The Idea of the Vernacular will be an invaluable asset not only to Middle English survey courses but to courses in English literary and cultural history and courses on the history of
