You Only Have To Be Right Once Randall Lane, *Forbes*, 2014-10-16. THE ULTIMATE INSIDER LOOK AT THE NEWEST TITANS OF TECH AND WHAT YOU CAN LEARN FROM THEIR SUCCESS. Silicon Valley's newest billionaires are a unique and unconventional breed of entrepreneur: young, bold and taking the world by storm with their extreme speed, insatiable hunger and progressive leadership. They turn just one brilliant insight into money at a rate never before seen, creating companies that even with no revenue garner insane valuations. *You Only Have to Be Right Once* is the first comprehensive look at the people behind the biggest companies in tech. It's behind the scenes examinations of billionaire tech titans including Tesla's Elon Musk, Instagram's Kevin Systrom, Airbnb's Brian Chesky and Snapchat co-founder Evan Spiegel and reveals what these super entrepreneurs say about their own success. Introduced, edited and updated by *Forbes* editor Randall Lane, this is the definitive collection of everything we can learn from these incredible game changers and what their next moves spell for the future of business. *Business for Communicators* Sandra Duhé, 2021-08-30. *Business for Communicators* provides future and current professional communicators with a hands-on working knowledge of how businesses profit, grow and adapt in their competitive environments. Corporate communicators aspire to sit at the decision-making table but too often fall short because of an inability to speak the language of business or effectively apply a business mindset to communication strategy. *Business for Communicators* provides the in-depth business literacy these professionals need beyond just building the case for business intelligence or explaining business basics. The text delves into the details of corporate finance, accounting, marketing strategy, operations and economics to provide a theoretical grounding and a working knowledge that business communicators can apply to every decision they make. Real-world applications illustrate concepts covered, focus on the communication implications of business outcomes and provide opportunities for extended learning and discussion. This book is an essential resource for advanced undergraduate and graduate students as well as professional corporate communicators ready to enhance their influence and advance their careers with business acumen. An accompanying website, blog, email and social media platforms provide additional resources, interaction, commentary and responses to questions from educators and practitioners as well as teaching materials for educators at www.thecommunicatorsmba.com.
