From Jack Johnson to LeBron James Chris Lamb, 2016 The campaign for racial equality in sports has both reflected and affected the campaign for racial equality in the United States Some of the most significant and publicized stories in this campaign in the twentieth century have happened in sports including of course Jackie Robinson in baseball Jesse Owens Tommie Smith and John Carlos in track Arthur Ashe in tennis and Jack Johnson Joe Louis and Muhammad Ali in boxing Long after the full integration of college and professional athletics race continues to play a major role in sports Not long ago sportswriters and sportscasters ignored racial issues They now contribute to the public's evolving racial attitudes on issues both on and off the field ranging from integration to self-determination to masculinity From Jack Johnson to LeBron James examines the intersection of sports race and the media in the twentieth century and beyond The essays are linked by a number of questions including How did the black and white media differ in content and context in their reporting of these stories How did the media acknowledge race in their stories Did the media recognize these stories as historically significant Considering how media coverage has evolved over the years the essays begin with the racially charged reporting of Jack Johnson's reign as heavyweight champion and carry up to the present covering the media narratives surrounding the Michael Vick dogfighting case in a supposedly post-racial era and the media's handling of LeBron James's announcement to leave Cleveland for Miami

Tired, Hungry, and Kinda Faithful Peyton Garland, 2022-07-26 For I know the plans I have for No doubt you know that Jeremiah 29:11 is all about a promising future for the believer But what about

Jeremiah 29 14 which tells us God will drive his children into a treacherous exile the very place he wants to be found How can exile offer hope Why would a good God force his beloved into life s wastelands Often our Christian bubbles water down the answer to surviving on life s grim bland manna but what if the wilderness isn t as draining and barren as we thought What if we are called to exile s supposed desolation to instead discover God s vibrant works in the most impossible situations If you are juggling spiritual and physical hunger exhaustion and a mediocre faith that constantly thirsts for more of God s true nature I invite you to traverse both lush and lacking terrains as we discover an even brighter more real picture of God s goodness

Without Helmets or Shoulder Pads Irvin Muchnick,2023-10-03 Football s massive popularity is undeniable as are the many reasons players and fans are drawn to the game But what is also undeniable is the game s brutality and the troubling aspects of football culture at all levels To whatever extent the reader shares Irv Muchnick s perspective and conclusions the evidence and arguments he presents deserve thoughtful attention Bob Costas Emmy Award winning sportscaster Muchnick s jeremiad digs deeper than ever into the greed and hypocrisy of high school and college football and the trail of broken bodies left in their wake His information on the perils of conditioning is essential reading and might save your kid s life Robert Lipsyte author of *The Contender* and *SportsWorld* Football s concussion crisis is well known with our Hall of Fame heroes behaving erratically and dying young But did you know that kid players across the continent die every year before a single ball is snapped just from extreme conditioning drills directed by all powerful coaches And then when the unimaginable happens the football world simply buries the evidence pays off victims families and moves on Without Helmets or Shoulder Pads presents the shocking stories of young men struck down by exertional heatstroke and other often unacknowledged causes Taking the conversation about football and public health to a new level with investigations of the sport s underreported worst tragedies and cover ups it makes the case that no matter how much we enjoy America s most popular sport at elite levels it belongs out of our public schools and off our public fields
