The Social Fabric of Understanding Federica Isabella Malfatti,2025-08-05 This book is a journey of in depth exploration into the social dimensions of understanding As human beings we strive to understand the world around us The path to understanding however is rarely walked alone we walk the path with others We understand more together by joining forces than we would understand alone When we understand something and come to see things clearly it

is probably because someone else has taught us enlightened us shared his or her perspective with us or shaped our environment so that our attempts to make sense of the world were likely to succeed Understanding then is a social rather than an individual achievement The book will be of great interest to philosophers working in epistemology philosophy of science and the philosophy of education

Cultural Genocide: How Radical Capitalism Destroys People's Intellectual Skills Pablo Medina Aguerrebere, 2024-08-02 Radical capitalists running some companies public organizations and governments resort to aggressive techniques to destroy people's intellectual skills Some examples of these criminal practices are preventing employees from enrolling in lifelong learning programs forcing students to go to unfunded high schools or allowing universities to become corporations that do not care about knowledge Citizens need to be aware of these corporate behaviors otherwise radical capitalism will destroy their social consciousness and condemn them to be enslaved people who only work and buy products but do not think and do not understand society In this book I identify some of these practices and propose ideas to protect people's right to learn This book consists of five chapters each focusing on different life stages childhood 0-12 years adolescence 13-19 years adulthood 20-39 years middle age 40-59 years and old age 60 years and above Each chapter includes 200 examples from different countries that prove how radical capitalists in some companies public organizations and governments try to destroy culture This cultural genocide affects citizens throughout their lives
