Alternative and independent Caren Arbeit,Alexander Bentz,Emily Forrest Cataldi,Herschel Sanders.,2019-02-19 In recent years nontraditional workforce training programs have proliferated inside and outside of traditional postsecondary institutions A subset of these programs bootcamps advertise high job placement rates and have been hailed by policymakers as key to training skilled workers However few formal data exist on the number types prices location or other descriptive details of program offerings We fill this void by studying the universe of bootcamp programs offered as of June 30 2017 In this report we discuss the attributes of the 1 010 technology related programs offered in the United States Canada and online We find more diversity among bootcamp providers and programs than would be expected from public discourse This primarily relates to the mode of delivery online vs in person intensity part time full time cost and program types Based on the data we collected we present a classification structure for bootcamps focused on five distinct program types **For Profit Higher Education** ,2012 Allergy and Celiac Diets With Ease, Revised: Money and Time Saving Solutions for Food Allergy and Gluten-Free Diets Nicolette M. Dumke,2008-12 In times of economic distress what is a person on a food allergy or gluten free diet to do How can we manage with less money and limited time Learn to shop easily and stock your kitchen economically for maximum efficiency and identify nutritious foods that you can eat Hispanic Serving Institutions (HSIs) in Practice Gina Ann Garcia,2020-03-01 As the general population of Latinxs in the United States burgeons so does the population of college going Latinx students With more Latinxs entering college the number of Hispanic Serving Institutions HSIs which are not for profit degree granting postsecondary institutions that enroll at least 25% Latinxs also grows with 523 institutions now meeting the enrollment threshold to become HSIs But as they increase in number the question remains What does it mean to serve Latinx students This edited book Hispanic Serving Institutions HSIs in Practice Defining Servingness at HSIs fills an important gap in the literature It features the stories of faculty staff and administrators who are defining servingness in practice at HSIs Servingness is conceptualized as the ability of HSIs to enroll and educate Latinx students through a culturally enhancing approach that centers Latinx ways of knowing and being with the goal of providing transformative experiences that lead to both academic and non academic outcomes In this book practitioners tell their stories of success in defining servingness at HSIs Specifically they provide empirical and practical evidence of the results and outcomes of federally funded HSI grants including those funded by Department of Education Title III and V grants This edited book is ideal for higher education practitioners and scholars searching for best practices for HSIs in the United States Administrators at HSIs including presidents provosts deans and boards of trustees will find the book useful as they seek out ways to effectively serve Latinx and other minoritized students Faculty who teach in higher education graduate programs can use the book to highlight practitioner engaged scholarship Legislators and policy advocates who fight for funding and support for HSIs at the federal level can use the book to inform and shape a research based Latinx educational policy agenda

The book is essential as it provides a framework that simplifies the complex phenomenon known as servingness As HSIs become more significant in the U S higher education landscape books that provide empirically based practical examples of servingness are necessary **American Universities and Colleges** Praeger Publishers,2010-04-16 For well over a half century American Universities and Colleges has been the most comprehensive and highly respected directory of four year institutions of higher education in the United States A two volume set that Choice magazine hailed as a most important resource in its November 2006 issue this revised edition features the most up to date statistical data available to guide students in making a smart yet practical decision in choosing the university or college of their dreams In addition the set serves as an indispensable reference source for parents college advisors educators and public academic and high school librarians These two volumes provide extensive information on 1 900 institutions of higher education including all accredited colleges and universities that offer at least the baccalaureate degree This essential resource offers pertinent statistical data on such topics as tuition room and board admission requirements financial aid enrollments student life library holdings accelerated and study abroad programs departments and teaching staff buildings and grounds and degrees conferred Volume two of the set provides four indexes including an institutional Index a subject accreditation index a levels of degrees offered index and a tabular index of summary data by state These helpful indexes allow readers to find information easily and to make comparisons among institutions effectively Also contained within the text are charts and tables that provide easy access to comparative data on relevant topics Monthly Catalog of United States Government Publications ,2003
