Goodreads Choice In The Us:

Focus On: 100 Most Popular American Internet Celebrities Wikipedia contributors, *The Best American Mystery and Suspense 2023* Lisa Unger, Steph Cha, 2023-10-17 A collection of the year's best mystery and suspense short fiction selected by New York Times bestselling author Lisa Unger and series editor Steph Cha. This form has a special kind of magic: the ability to transport you quickly and intensely to capture character, time, place, and story with immediacy. Writes guest editor Lisa Unger in her introduction. The transporting stories in this year's *The Best American Mystery and Suspense* are populated by those who exist on the fringe of our society and want more than what life has dealt them. A haunted veteran turned career criminal is on the run. An injured fighter turned bouncer seeks vengeance for his lost love. An assassin on his last job finds himself questioning his life choices and breaks all the rules to understand his final victim. By turns thrilling and enlightening, each story according to Unger will have you holding your breath; flipping the pages will leave you thinking about people and why they do the dark, dangerous, frightening things that they do. *The Best American Mystery and Suspense 2023* includes Ashley Ruth M. Bernier, William Boyle, S. A. Cosby, Jacqueline Freimor, James A. Hearn, Ladee Hubbard, A. J. Jacono, Adam Meyer, Silvia Moreno Garcia, Walter Mosley, Leigh Newman, Joyce Carol Oates, Margaret Randall, Annie Reed, Anthony Neil Smith, Faye Snowden, Jervey Tervalon, Joseph S. Walker, Thaa Walker, Jess Walter. *Love Is for All of Us* James Crews, Brad Peacock, 2025-05-06 This luminous and open-hearted anthology of poems from the LGBTQIA community proves that there is nothing more universal than love. Edited by James Crews with his husband Brad Peacock and illustrated by Lisa Congdon, these compassionate poems of connection and affirmation are a celebration of all kinds of love: romantic, family, friendship, self-love, and love for nature. The poems are gathered from a diverse group of contemporary writers, both part of and allied with the LGBTQIA community, with a special focus on queer, nonbinary, and transgender poets. Contributors include Andrea Gibson, Ellen Bass, Nikita Gill, Mark Doty, Audre Lorde, Richard Blanco, Gabrielle Calvocoressi, Danez Smith, Joy Ladin, Carl Phillips, Li Young Lee, and many others. Brief essays called *Stories of Becoming* act as touchstones throughout the book, telling the inspiring and touching stories of LGBTQIA people whose experiences may bring hope to others. **They Called Us** **Exceptional** Prachi Gupta, 2024-10-07 An Indian American daughter reveals how the dangerous model minority myth fractured her family in this searingly honest memoir that manages to be at once a scalding indictment and a heartfelt love letter. Scott Stossel, author of *My Age of Anxiety*, examines with boundless love the secrets and sorrows of one family. Gupta shows us the life-altering power of telling one's truth. Megha Majumdar, author of *A Burning*, asks: How do we understand ourselves when the story about who we are supposed to be is stronger than our sense of self? What do we stand to gain and lose by taking control of our narrative? These questions propel Prachi Gupta's heartfelt memoir and can feel particularly fraught for immigrants and their children who live under immense pressure to belong in America. Prachi Gupta's family embodied the American Dream: a doctor father and a nurturing mother who raised two high-achieving children with one foot

in the Indian American community the other in Pennsylvania's white suburbia But their belonging was predicated on a powerful myth that Asian Americans have perfected the alchemy of middle class life raising tight knit ambitious families that are immune to hardship Molding oneself to fit this perfect image often comes at a steep but hidden cost In *They Called Us Exceptional* Gupta articulates the dissonance shame and isolation of being upheld as an American success story while privately navigating traumas invisible to the outside world Gupta addresses her mother throughout the book weaving a deeply vulnerable personal narrative with history postcolonial theory and research on mental health to show how she slowly made sense of her reality and freed herself emotionally and physically from the pervasive reductive myth that had once defined her But tragically the act that liberated Gupta was also the act that distanced her from those she loved most By charting her family's slow unraveling and her determination to break the cycle Gupta shows how traditional notions of success keep us disconnected from ourselves and one another and passionately argues why we must orient ourselves toward compassion over belonging

misfortune y feeling you ll no doubt genuinely it A more extended out variation of this is to say that my overall impressions of this were all things considered sure Basically I found the central ardent plotline in it to be sweet and convincing I partook in that there was an incredible development to their relationship which felt sensible It helps that the piece and pacing are both solid which you d expect from a pre arranged maker like Hoover Exactly when I at first read the explanation I was a little stressed that this book would be all things considered a grouch and I think it successfully could ve transformed into a semi putting story in some unsuitable hands down In any case Hoover really buckles down of managing the tone of the novel so it feels energetic yet completely not exorbitantly troubled The male saint is an all around traditional ardent legend but I liked that the principal individual of Kenna had a charming sensation of character which helped me with appreciating and root for their relationship Kenna is depicted as someone with a deplorable puberty achieving being someone in her more young years who wasn t really set up dressed somewhat provocatively and wasn t the sort of individual watchmen required their youngster to get back I adored her deformities and it made the story feel fairly more real to me Here is a Preview of What You Will Get A Detailed Introduction A Comprehensive Chapter by Chapter Summary Etc Get a copy of this summary and learn about the book
