Get your copy of the iPad Seniors Guide today! It's time to unlock the magic of your iPad and start enjoying the digital world with confidence. Just scroll up and grab your copy now; it's time to join the iPad revolution.

iPads® in the Library Joel A. Nichols, 2013-06-13. Looking for a programming guide for computer tablet use in the library setting? This book provides detailed plans and instructions with specific literacy goals for child, teen, and adult audiences exactly what librarians seeking to integrate iPad and other tablet use into their programs need. Tablet computers are fast becoming a ubiquitous technology. These devices also represent a unique opportunity for librarians and teachers because they are relatively affordable, easy to configure and maintain, and highly adaptable. Written by a practicing digital literacy instruction librarian who is also a trained children's librarian, this book offers 50 practical programming scenarios that librarians can use to integrate iPads or other tablet devices into their programming, offering different plans for toddlers and pre-K child, school-aged patrons, teenagers, adults, and even seniors. The plans provide easy-to-follow, step-by-step instructions and are designed to be easily adaptable to serve specific audiences. The book serves as a unique resource that helps librarians address digital literacy and bridge the digital divide by focusing on and catering to the needs of many age groups. Author Joel A. Nichols also provides annotated lists of apps that present librarians new to tablet computing simple and effective ways of integrating an iPad into their programs.

Rotten Apple Rebecca Eckler, 2009-09-01. Apple is the opposite of her outspoken mother and gossipy chatty best friends; she's always been the cool, calm, and collected one. But her life is about to spiral out of control. Apple's super-sized secret crush on her friend Zen leads her into major trouble. And she's realizing it might not have been such a good idea to pose as her mother, the famous talk show host and self-help guru Dr. Bee Berg, and send out fake advice emails to keep her devastatingly beautiful friend Happy away from Zen. Before she knows it, her best friend hates her, the whole school knows about her crush, and she is humiliated on national TV. How much more will it take for Apple to learn that taking advice is just as important as giving it.

iPad Pro M5 User Guide for Beginners MasterTech Press, 2025-10-31. The iPad Pro M5 is more than just a tablet; it's a powerhouse designed for work, creativity, and entertainment.
