MLB Playoffs Price:

Save Baseball Larry Hausner, 2024-01-29 Major League Baseball has been in crisis in recent years Game attendance is down by millions and fan interest is in free fall The future of the game is in jeopardy While the League acknowledges the issues many are stumped as to how to address them This book explores in detail the critical challenges facing MLB and their ramifications along with some potential solutions Interviews with baseball insiders players to executives give a perspective on baseball s struggle to reinvent itself for future generations

The Baseball Economist J.C. Bradbury, 2008-02-26 Freakonomics meets Moneyball in this provocative expos of baseball s most fiercely debated controversies and some of its oldest most dearly held myths Providing far more than a mere collection of numbers economics professor and popular blogger J C Bradbury shines the light of his economic thinking on baseball exposing the power of tradeoffs competition and incentives Utilizing his own sabernomic approach Bradbury dissects baseball topics such as Did steroids have nothing to do with the recent homerun records Incredibly Bradbury s research reveals steroids probably had little impact Which players are ridiculously overvalued Bradbury lists all players by team with their revenue value to the team listed in dollars including a dishonor role of those players with negative values updated in paperback to include the 2007 season Does it help to lobby for balls and strikes Statistics alone aren t enough anymore This is a refreshing lucid and powerful read for fans fantasy buffs and players as well as coaches at all levels who want to know what is really happening on the field

Handbook of Sports and Media Arthur A. Raney, Jennings Bryant, 2009-03-04 This distinctive Handbook covers the breadth of sports and media scholarship Organized into historical institutional spectator and critical studies perspectives this volume brings together the work of many researchers defining the full scope of the subject area including the development of sports media production coverage and economics of sports media sports media audiences sports promotion and race and gender issues in sports and media

Major League Baseball Organizations Frank P. Jozsa Jr., 2016-10-07 This book analyzes and highlights the development and success of major league baseball teams in the National League and the American League focusing on each team s performance in seasons and postseasons and to what extent each succeeded as a business enterprise despite competition for market share from other types of entertainment The book discusses historical and financial information about the 30 major league franchises Each chapter contains two core themes Team Performances and Franchise Business The former highlights which and how teams won division and league championships and World Series while the latter lists and compares financial data including their revenue gate receipts and operating income and describes interesting business topics Each chapter also provides an overview of when each franchise organized and why it joined MLB a brief profile of its current majority owner or ownership group records of teams special coaches and players attendances at home games and how their ballparks rank as a venue for fans Baseball Business explains why particular teams located in large midsize or small markets win more games and titles than others and when and how frequently that occurs Furthermore it provides ways to

compare franchises financial success individually by division and by league By linking and comparing the historical performances of MLB teams to financial information about them as business organizations this book offers a unique contribution to the literature on the sports industry The Economics of the National Football League Kevin G. Quinn,2011-12-20 This book lays down a marker as to the state of economists understanding of the National Football League NFL by assembling sophisticated critical surveys of by leading sports economists on major topics associated with the league The book is divided into four parts The first three chapters in Part I provide an overview of the business of the NFL from an economist s perspective Part II is a collection of surveys of the economics of the NFL s most important revenue streams including media attendance and merchandising The NFL s labor economics is the focus of Part III with chapters on player and coach labor markets the draft and contract structure Part IV includes essays on competitive balance gambling economic impacts of the Super Bowl behavioral economic issues associated with the league and antitrust issues This book will appeal to sports economists sports management professionals and policy makers and would be useful as a supplementary text for sports economics and management courses as well as a reference text **Fairness in Antitrust in National Sports (FANS) Act of 2001** United States. Baseball Albert Theodore Powers,2003-01-16 The crack of the bat the cheering of fans and the agility and athleticism of the players are all characteristics that many people fondly associate with Major League Baseball However the players strike and owners lockout in 1994 and 1995 brought the game under great scrutiny revealing a side of baseball that is not admirable honorable or enjoyable Nor is this darker side of America s Pastime a recent development The majority of problems in today s Major Leagues are a continuation of ills that have plagued organized baseball since its inception This book examines the business of baseball addressing its most significant problems and proposing solutions It covers some of Major League Baseball s greatest players and their effect on the game and its business Among the many topics analyzed are the roles of franchise owners commissioners and players unions in organized baseball The book also examines Major League ballparks and baseball fans and considers how they are relevant to baseball as a game and a business Baseball Between the Numbers Jonah Keri,Baseball Prospectus,2007-02-27 In the numbers obsessed sport of baseball statistics don t merely record what players managers and owners have done Properly understood they can tell us how the teams we root for could employ better strategies put more effective players on the field and win more games The revolution in baseball statistics that began in the 1970s is a controversial subject that professionals and fans alike argue over without end Despite this fundamental change in the way we watch and understand the sport no one has written the book that reveals across every area of strategy and management how the best practitioners of statistical analysis in baseball people like Bill James Billy Beane and Theo Epstein think about numbers and the game Baseball Between the Numbers is that book In separate chapters covering every aspect of the game from hitting pitching and fielding to roster construction and the scouting and drafting of players the experts at Baseball Prospectus examine the subtle hidden aspects of the game bring them out into the open and show us how our favorite teams could win more games This is a book that every fan every follower of sports radio every fantasy player every coach and every player at every level can learn from and enjoy Encyclopedia of Sports Management and Marketing Linda E. Swayne,Mark Dodds,2011-08-08 This four volume set introduces on the management side principles and procedures of economics budgeting and finance leadership governance communication business law and ethics and human resources practices all in the sports context On the marketing side this reference resource explores two broad streams marketing of sport and of sport related products promoting a particular team or selling team and sport related merchandise for example and using sports as a platform for marketing non sports products such as celebrity endorsements of a particular brand of watch or the corporate sponsorship of a tennis tournament Together these four volumes offer a comprehensive and authoritative overview of the state of sports management and marketing today providing an invaluable print or online resource for student researchers **Baseball Prospectus 2015** Baseball Prospectus,2015-02-10 The essential guide to the 2015 baseball season is on deck now and whether you re a fan or fantasy player or both you won t be properly informed without it Baseball Prospectus 2015 brings together an elite group of analysts to provide the definitive look at the upcoming

season in critical essays and commentary on the thirty teams their managers and more than sixty players and prospects from each team Baseball Prospectus 2015 contains critical essays on each of the thirty teams and player comments for some sixty players for each of those teams projects each player's stats for the coming season using the groundbreaking PECOTA projection system which has been called perhaps the game's most accurate projection model Sports Illustrated Now in its twentieth edition this New York Times bestselling insider's guide from Baseball Prospectus America's leading provider of statistical analysis for baseball remains hands down the most authoritative and entertaining book of its kind CC Sabathia Therese M. Shea, 2010-08-01 Presents insights into CC Sabathia's life including his inspirations rise to stardom and achievements Baseball's Antitrust Exemption United States. Congress. House. Committee on the Judiciary. Subcommittee on Economic and Commercial Law, 1993 The Little White Book of Baseball Law John H. Minan, Kevin Cole, 2009 The game of baseball has often resulted in brawls both on the field and in the courtroom and from the 1890's on much of what baseball is today has been shaped by the law In eighteen chapters this eye opening book discusses cases that involved rules of the game new stadium construction ownership of baseball memorabilia injured spectators television contracts and much more

One Town, One Team Bruce Bertrand, 2023-01-26 When third year football coach Sherm Blaser walked into his first team meeting for the upcoming season he asked the team what their team goal should be for the upcoming season The first hand that went up was that of senior defensive lineman Benten Hall who suggested a winning season would be an appropriate team goal A winning season might not seem like a lofty goal but it is certainly a practical one The previous year the Kavemen did go 5-4 but finished sixth in conference play and did not make the playoffs Benten's sophomore and freshman years those varsity teams went a combined 7-12 In fact since Benten and his fellow seniors on the team started the first grade eleven years ago the Kuna football teams have a combined record of forty three wins and sixty two losses The football program has not won a conference championship since 1998 and has won just one playoff game this century Blaser was not seen as the savior of this program when he was hired two years before Before coming to Kuna his record was 15-21 at two previous schools In his two previous years on the Kuna campus his record was only 8-10 So how could this team led by this coach make it all the way to the state championship game Fortunately for me my son Ryan who was starting his fourth season as part of Sherm Blaser's coaching staff and was living with me as he was finishing his master's program in psychology so I had a front row seat to this amazing season Ultimate Baseball Road Trip Josh Pahigian, Kevin O'Connell, 2012-03-27 The most entertaining and comprehensive guide to every baseball fan's dream road trip including every new ballpark since the 2004 edition revised and completely updated **The Ultimate Baseball Road Trip, 2nd** Josh Pahigian, Kevin O'Connell, 2012-03-27 The most entertaining and comprehensive guide to every baseball fan's dream road trip including every new ballpark since the 2004 edition revised and completely updated
