Notes From The Equestrian Underground:

Notes from the Equestrian Underground Carol L. Frey, 2015-07-27 The boys got me riding lessons for Christmas They were obviously trying to interest me in a new hobby Bing's ill concealed attempt to distract me from telling stories about the family and publishing them hadn't fooled me in the least The other gifts a decoupage kit seriously Fussing painting and artistic talent required What were they thinking a tennis racquet no way am I baring my crepe y thighs I'll take up tennis again when it's played in bloomers calligraphy pens once again artistic talent is required so it's not an option were stacked in a closet Way in the back But riding lessons I'd always loved horses had ridden while growing up in the Midwest maybe From the Domestic Underground to the Equestrian Underground Carol Frey finds adventure and humor in daily life this time around the barn

Equestrian Cultures in Global and Local Contexts Miriam Adelman, Kirrilly Thompson, 2017-06-13 This edited volume demonstrates the broader socio cultural context for individual human horse relations and equestrian practices by documenting the international value of equines socially culturally as subjects of academic study and as drivers of public policy It broadens our understanding of the importance of horses to humans by providing case studies from an unprecedented diversity of cultures The volume is grounded in the contention that the changing status of equines reveals and moves us to reflect on important material and symbolic societal transformations ushered in by post modernity which affect local and global contexts alike Through a detailed consideration of the social relations and cultural dimensions of equestrian practices across several continents this volume provides readers with an understanding of the ways in which interactions with horses provide global connectivity with localized identities and vice versa It further discusses new frontiers in the research on and practice of equestrianism framed against global megatrends and local micro trends

Re-entering the Sign Ellen E. Berry, Anesa Miller-Pogacar, 1995 Russian artists and critics attest to the cultural changes emerging since the fall of the Soviet Union

Race, Gender, and Identity in American Equine Art Jessica Dallow, 2022-05-19 This book traces an evolution of equine and equestrian art in the United States over the last two centuries to counter conventional understandings of subjects that are deeply enmeshed in the traditions of elite English and European culture In focusing on the construction of identity in painting and photography of Blacks women and the animals themselves involved in horseracing rodeo and horse show competition it illuminates the strategic and varying roles visual artists have played in producing cultural understandings of human animal relationships As the first book to offer a history of American equine and equestrian imagery it shrinks the chasm of literature on the subject and illustrates the significance of the genre to the history of American art This book further connects American equine and equestrian art to historical theoretical and philosophical analyses of animals and attests to how the horse endures as a vital meaningful subject within the art world as well as culture at large This book will be of interest to scholars in art history American art gender studies race and ethnic studies and animal studies

Journey Through France and Egypt to Bombay, Bimbashi Baruk of Egypt, Morning Star, The Egyptian Fire-Eater, The Wave: An Egyptian Aftermath, All for Love : The World Well Lost A Tragedy, The Egyptian Maid: A Romance of the Water-Lily Miss Emma Roberts, Various Authors, Sir Henry Rider Haggard, Sax Rohmer, Algernon Blackwood, John Dryden, Rudolph Baumbach, William Wordsworth, 2020-09-18 Experience has especially of late years amply refuted the barbarous error which attributes to Nature a niggardliness towards the minds of that sex to which she has been most prodigal of personal gifts the highest walks of science and literature in this country have been graced by female authors and perhaps the purity and refinement which pervade our works of imagination compared with those of former days may not unjustly be traced to the larger share which feminine pens now have in the production of these works It would appear to countenance the heretical notion just condemned to assume that a robust organization is essential to the proper development and exercise of the powers of the understanding but it is certain that in several instances individuals who have exhibited the most striking examples of female pre eminence have not reached the full maturity of their intellectual growth but have been lost to the world in a premature grave to the names of Felicia Hemans and Laetitia E Landon besides others is now added that of Emma Roberts who although in respect of poetical genius she cannot be placed upon a level with the two writers just named yet in the vigour of her faculties and in the variety of her talents is worthy of being associated with them as another evidence against the asserted mental inequality of the sexes Miss Roberts belonged to a Welsh family of great respectability Her grandfather who was a gentleman of good property and served the office of High Sheriff for Denbighshire North Wales possessed the fine estate of Kenmell Park in that county which was disposed of after his death to Colonel Hughes the present Lord Dinorben whose seat it continues to be He had three sons all of whom entered a military life which seems to have had peculiar attractions to this gallant family The eldest the late General Thomas Roberts raised a regiment which became the 111th and it is said he frequently officiated as Gold Stick in Waiting to George the Third A son of General Roberts was aide de camp to Sir Arthur Wellesley in Portugal was taken prisoner by the French and detained during the war he afterwards rose to the rank of lieutenant colonel The second son Colonel David Roberts of the 51st regiment distinguished himself in the Peninsular war having on the 7th January 1809 during Sir John Moore s retreat near the heights of Lugo headed a party which repulsed the French Light Brigade on which occasion his cloak was riddled with bullets two of which passed through his right hand which was amputated He was then a major but afterwards commanded the regiment in Lord Dalhousie s brigade and subsequently in Flanders and was so seriously and repeatedly wounded that his pensions for wounds amounted to 500 a year Colonel Roberts was an author and wrote amongst other things the comic military sketch called Johnny Newcome The youngest son William the father of Miss Roberts in the course of his travels on the continent in early life formed some intimacies at the Court of St Petersburg to which he was introduced by the British Ambassador and eventually entered the Russian service he was made aide de camp to General Lloyd his countryman and served with great distinction in

several campaigns against the Turks He afterwards entered the British army but had not attained a higher rank than that of captain with the paymastership of his regiment when he died leaving a widow a son who died a lieutenant in the army and two daughters Emma the youngest daughter of Captain Roberts was born about the year 1794 After the death of her father she resided with her mother a lady of some literary pretensions at Bath Though possessed of a very attractive person though of a lively disposition and peculiarly fitted to shine in the gayest circles of social life her thirst for letters was unquenchable and the extent of her reading proves that her early years must have been years of application [Ink on the Tracks](#) Adrian Grafe, Andrew McKeown, 2024-08-22 This book embraces the multiplicity of forms of writing inspired by rock and roll Exploring a diverse range of formats including rock autobiography and gender race and class in American rock journalism rock obituaries rock literature and spirituality rock writing and promotion packaging and more this book identifies and prioritizes writing forms often excluded from the categorization of rock music writing Vitally the volume places rock and roll writing within a wider cultural frame often overlooked by studies of traditional white male led music journalism [Read Harder](#) Ed Park, 2014-09-30 This volume collects the finest essays from the second half of the Believer s decade long and counting run The Believer the McSweeney s published four time nominee for the National Magazine Award is beloved for tackling everything from pop culture to ancient literature with the same sagacity and wit and this collection cements that reputation with pieces as wildly diverse as the magazine itself Featured articles include Nick Hornby on his first job Rebecca Taylor on her time acting in no budget horror movies Francisco Goldman on the failings of memoir in dealing with personal tragedy Megan Abbott and Sara Gran on V C Andrews and the secret life of girls and Brian T Edwards on Western pop culture s influence on Iran Read Harder collects some of the finest nonfiction writing published in America today from the profound to the absurd the crushing to the uplifting As the Believer enters its second decade Read Harder serves as both an essential primer for one of the finest strangest magazines in the country and an indispensable stand alone volume

Prisoners of Shangri-La Donald S. Lopez Jr.,2012-12-31 Prisoners of Shangri La is a provocative analysis of the romance of Tibet a romance that even as it is invoked by Tibetan lamas living in exile ultimately imprisons those who seek the goal of Tibetan independence from Chinese occupation Lopez lifts the veil on America s romantic vision of Tibet to reveal a country and a spiritual history more complex and less ideal than popular perceptions allow Lively and engaging Lopez s book raises important questions about how Eastern religions are often co opted assimilated and misunderstood by Western culture Publishers Weekly Proceeding with care and precision Lopez reveals the extent to which scholars have behaved like intellectual colonialists Someone had to burst the bubble of pop Tibetology and few could have done it as resoundingly as Lopez Booklist Fascinating A provocative exploration Lopez conveys the full dizziness of the Western encounter with Tibet and Tibetan Buddhism Fred Pheil Tricycle The Buddhist Review A timely and courageous exploration Lopez s book will sharpen the terms of the debate over what the Tibetans and their observers can or should be doing about the place and the idea of Tibet And that alone is what will give us all back our Shambhala Jonathan Spence Lingua Franca Book Review Lopez s most important theme is that we should be wary of the idea that Tibet has what the West lacks that if we were only to look there we would find the answers to our problems Lopez s book shows that on the contrary when the West has looked at Tibet all that it has seen is a distorted reflection of itself Ben Jackson Times Higher Education Supplement
