

NOTES ON A CELLAR-BOOK

By GEORGE SAINTSBURY

With a Foreword by Owen Winter

Owen Winter says in his Foreword: "I have known this delightful book a long while. It stands on a special shelf among other works devoted to civilized meat and drink. It is full of accurate information about Champagne, Burgundy, Bordeaux, Rhine wines, Spanish wines and more than you are likely to meet."

"The wholesome habit of wine has been lost, the very names of most wines are as Latin and Greek to a generation that have grown up since 1909. How many of them know whether Bourgogne, Chateau-Chalon, Menthacillac, Haut Brion, are good wines or not, white wines or red, sweet or dry, still or sparkling, or can say to what part of France they belong?"

"This book will help them. Sainsbury wrote it out of a ripe knowledge when he was seventy-five. Much that he tells is of practical use, should you wish to lay down a cellar of your own; all of it is interesting. . . . I can subscribe with a whole heart to most of Sainsbury's opinions, and it has been my good fortune, I believe, from old Port and Madeira to the vintage of Bordeaux and the Côte d'Or, to know almost every great wine in the world."
