Michael Holly Barrett

My genius is marred by bouts
of depression.

In my depression, my genius
blossoms like wildfire.

My creativity stems from
my bouts of depression.
The more depressed I am,
the more creative I become.

When my imagination is running rife,
and my work output,
is at its zenith, then I am happy
to be at my nadar point, depressed.

This is why my doctor is confused
I go visit him when I am euphoric,
deliriously happy, and beg him
for depression tablets.

His response is take two of these pills one
in the morning and one at night, before you
go to bed, that will wipe the smile off your face,
we'll have you back in depression in no time.

I clasp his hands and fall to my knees,
laughing and telling him jokes,
" Take a double dose of pills tonight,
as you seem to be in a bad state this time"

Nothing To Declare Poems:

Nothing to Declare Henri Cole, 2025-09-23 A bold new collection of poems of feral beauty and intense vulnerability The poems in Henri Cole's ninth book *Nothing to Declare* explore life and need and delight Each poem starts up from its own unique occasion and is then conducted through surprising sometimes unnerving and self-steadying domains The result is a daring delicate unguarded and tender collection After his last three books *Touch Blackbird* and *Wolf and Middle Earth* in which the sonnet was a thrown shape and not merely a template Cole's buoyant new poems seem trim and terse with a first place last ditch resonance In their sorrowful richness they combine a susceptibility to sensuousness and an awareness of desolation With precise reliability of detail a supple wealth of sound and a speculative truthfulness Cole transforms the pain of experience into the keen pleasure of expressive language *Nothing to Declare* is a rare work necessary and durable light in touch but with just enough weight to mark the soul *Arthur Machen.
