The NRA Frank Smyth,2020-03-31 For the first time the definitive account of America s most powerful most secretive and most controversial nonprofit and how far it has strayed from its origins The National Rifle Association is unique in American life Few other civic organizations are as old or as large None is as controversial It is largely due to the NRA that the U S gun policy differs so extremely some would say so tragically from that of every other developed nation But as Frank Smyth shows the NRA has evolved from an organization concerned above all with marksmanship and which supported most government efforts around gun control for a hundred years to one that resists all attempts to restrict guns in any way At the same time the organization has also buried its own remarkable history Here is that story from the NRA s surprising roots in post Civil War New York City to the defining event that changed its culture forever the so called Cincinnati Revolt of 1977 to the present day where President Donald Trump is the most ardent champion in the White House the NRA has ever had For anyone who has looked at access to guns in our society and asked Why this is an unmatched account of how we got here and who got us here **Air Force AFM.** ,1963 **The Official 1982 Price Guide to Antique & Modern Firearms** David

Comprehensive Management Plan, Baker County, Wallowa County ,1996 **Alaska "...Having the Best Time I Ever Had"** Larry S. Mikelsen,2012-11-13 As a boy I was lucky enough to be introduced an elderly gentleman by the name of Robert R Bob Huttle Mr Huttle to me I remember Mr Huttle as a man of many interesting stories and experiences Mr Huttle was a good friend of my father and for quite a number of years was sort of an informal member of our family being in attendance for Christmas Thanksgiving birthdays and any other family gatherings His little home along with its menagerie of exotic fowl in a little community called Annapolis Washington was always a most fun place to visit Throughout his life Bob was an avid photographer with a genuine interest in people who religiously recorded all that was going on around him in his more than interesting life The walls of his home were covered with pictures and memorabilia of that lifetime There were times when Bob would take out his old picture albums and show my brother and me pictures of his times up in the State of Alaska I always remember that these times seemed to be events he treasured and each picture came with a story that would flow off

his lips with obvious pleasure After coming to America serving in the U S Marine Corp Bob spent 1933 1934 living his dream on the Alaskan Kenai Peninsula near what was then called Birchwood Creek now Bear Creek on Tustumena Lake as a hunter and an amateur trapper as he referred to himself In January of 1937 Bob was hired as a patrolman with the Anchorage Police Department and 21 days later he had to give up his beat to come indoors as the Acting Police Chief replacing the then seriously ill Chief of Police Ernie Amundsen Transactions National Safety Council,1969 **Up To Speed A Preppers Guide** Galen Fries,2024-05-17 No scare tactics here We all know bad things can happen and don t need to be scared into wanting to protect our loved ones Up to Speed A Prepper s Guide is just a discussion about what steps and in what order to take them in order to be ready for disasters manmade or otherwise It s good information with some humor thrown in for flavor The book has been carefully broken up into levels of importance It begins by addressing a survival mindset It then goes on to discuss ways we can set ourselves up for success when it comes to reuniting with loved ones having a home to come home to and finally what we should consider as we step out of our homes in order to keep our families safe Up to Speed tries to take the daunting task of protecting what is truly important to us and break it down into small manageable pieces This is not a survivalist book This is just a discussion and shouldn t be considered the end all in preppers manuals In it you will find references to many other books that will supplement your preparedness library
