Dictionary Stories Jez Burrows,2018-04-10 Dictionary Stories isn t just a book for word nerds but for anyone for whom language and story matter Everybody will find themselves thoroughly in love with this book Kory Stamper editor for Merriam Webster and author of Word by Word Everyone has looked up a word in the dictionary Some of us have even asked for it to be used in a sentence during our 2nd grade spelling bee But few of us have ever really considered those example sentences where they come from how they re generated and why in heaven s name they are so darn weird Jez Burrows opened the New Oxford American Dictionary and sat mystified Instead of the definition of study he was looking for he found himself drawn to the strangely conspicuous curiously melodramatic sentence that followed it He perched on the edge of the bed a study in confusion and misery It read like a tiny piece of fiction on the lam and hiding out in the dictionary and it wasn t alone Was it possible to reunite these fugitive fictions To combine and remix example sentences to form new works With this spark and a handful of stories shared online Dictionary Stories was born This genre bending and wildly inventive collection glows with humor emotion and intellect Effortlessly transcending sentence level Burrows lights between the profound and the absurd transporting readers into moments worlds and experiences of remarkable variety Featuring original illustrations by the author Dictionary Stories is a giddy celebration of the beauty and flexibility of language

Russian-English Dictionary of Proverbs and Sayings Alexander Margulis,Asya Kholodnaya,2015-08-13 This dictionary contains 2 375 Russian sayings and proverbs and their English counterparts Variants of each saying are included and careful attention is given to the differences in British and American versions For example the Russian saying that is interpreted as Children behave in a childish way and they cannot be expected to act like grown up people is first given in Russian in the Cyrillic alphabet and then in English and is then followed by the nearest English language equivalent sayings in Britain and the United States Young colts will canter British and Boys will be boys American The proverbs and sayings are arranged alphabetically by the first Russian word in the Cyrillic

alphabet and are cross referenced so the reader can find analogous Russian versions of English sayings There is a keyword index for each language one in English one in Russian in the Cyrillic alphabet which allows the reader to find a proverb or a saying without knowing the first word Proverbs and sayings are current and include those popular in both spoken Russian and literature The prefatory matter is in both English and Russian for readers who have a command of either language

The Cambridge Companion to English Dictionaries Sarah Ogilvie, 2020-09-24 How did a single genre of text have the power to standardise the English language across time and region rival the Bible in notions of authority and challenge our understanding of objectivity prescription and description Since the first monolingual dictionary appeared in 1604 the genre has sparked evolution innovation devotion plagiarism and controversy This comprehensive volume presents an overview of essential issues pertaining to dictionary style and content and a fresh narrative of the development of English dictionaries throughout the centuries Essays on the regional and global nature of English lexicography dictionary making explore its power in standardising varieties of English and defining nations seeking independence from the British Empire from Canada to the Caribbean Leading scholars and lexicographers historically contextualise an array of dictionaries and pose urgent theoretical and methodological questions relating to their role as tools of standardisation prestige power education literacy and national identity English monolingual learners' dictionaries John D. Battenburg, 2017-12-04

Lexicographica Series Maior features monographs and edited volumes on the topics of lexicography and meta lexicography Works from the broader domain of lexicology are also included provided they strengthen the theoretical methodological and empirical basis of lexicography and meta lexicography The almost 150 books published in the series since its founding in 1984 clearly reflect the main themes and developments of the field The publications focus on aspects of lexicography such as micro and macrostructure typology history of the discipline and application oriented lexicographical documentation

"Right Makes Might" Wolfgang Mieder, 2019-04-04 A powerful and timely addition to the literature of rhetoric and folklore Choice In 1860 Abraham Lincoln employed the proverb Right makes might opposite of the more aggressive Might makes right in his famed Cooper Union address While Lincoln did not originate the proverb his use of it in this critical speech indicates that the fourteenth century phrase had taken on new ethical and democratic connotations in the nineteenth century In this collection famed scholar of proverbs Wolfgang Mieder explores the multifaceted use and function of proverbs through the history of the United States from their early beginnings up through their use by such modern day politicians as Barack Obama Hillary Rodham Clinton and Bernie Sanders Building on previous publications and unpublished research Mieder explores sociopolitical aspects of the American worldview as expressed through the use of proverbs in politics women's rights and the civil rights movement and by looking at the use of proverbial phrases Mieder demonstrates how one traditional phrase can take on numerous expressive roles over time and how they continue to play a key role in our contemporary moment **Webs of Words** John Considine, 2010-02-19 Webs of Words New Studies in Historical Lexicology brings

together ten papers on aspects of the history of words and vocabulary which address aspects of Chinese Czech Dutch English including Caribbean varieties German Italian M ori Persian Portuguese Russian and other languages In the first four essays focussing on pre 1800 material Karel Ku era and Martin Stluka s opening essay discusses the plotting of the relative historical frequency of common words drawing on their work with the diachronic portion of the Czech National Corpus Ian Lancashire asks why Tudor England had no monolingual English dictionary Chiara Benati discusses the interplay between Low German High German and Latin in an early modern surgical text and Mateusz Urban sorts out the competing etymologies of English balcony Italian balcone and similar forms in Persian and Russian The next six turn to more recent material Jane Samson analyzes the nineteenth century debate as to whether the M ori language was too primitive to have a word for blue Vivien Wazsink discusses the Dutch prefixes bio and eco and their documentation in a new dictionary Tommaso Pellin examines a series of attempts to provide a grammatical terminology in Chinese Lise Winer surveys the naming of fauna in the English Creole of Trinidad and Tobago Miros awa Podhajecka writes on the treatment of Russian loanwords in the current revision of the Oxford English Dictionary with special attention to Google Books as a research tool and Isabel Casanova asks whether Portuguese dictionaries should register English words The contributions to this volume share an interest in empirical evidence rather than in lexicological study at a highly theoretical level and in the wide contextualization of the words which constitute this evidence in the social and cultural lives of their users
