Number Synchronicity A Beacon Of Light For The Souls Journey:

Number Synchronicity Skot Jonz, 2004-09-27 Number Synchronicity A Beacon of Light for the Souls Journey stands as a definitive exploration of a phenomenon affecting millions of people around the world In exploring the inexplicable it becomes necessary to go beyond the amusement of numerology books that show how to gain insight from numbers in a name or birth date Plenty of good books for that already exist Bridging the gap between scientific objectivity and outrageous speculation Number Synchronicity maintains the middle path In pursuit of the truth seemingly separate threads weave the fabric of a new understanding Abundant facts and convincing evidence equate number synchronicity to a beacon of light in a storm providing guidance and comfort during times of chaos transition and uncertainty **My Cosmic Trigger** Matt

Vaughn, 2024-07-11 High strangeness denotes happenings so uncanny they are deemed utterly absurd It involves the intersection of multiple paranormal phenomena revealing an eerie undergirding of reality MY COSMIC TRIGGER is a deep dive into the subject covering its history theories and notable researchers analyzing mechanisms behind this cosmic enigma The author s personal experiences provide a penetrating understanding of the phenomenon by demonstrating how and why extramundane weirdness manifests on a personal level helping people navigate their own synchromystic initiation with a sense of clarity fostering a constructive relationship with odd occurrences not a destabilizing one and enabling readers to successfully pull their own cosmic trigger **Stepping Into Spiritual Oneness ~ Spiritual Rememberings of the Soul**

being is the goal or the actual place we all want to be enjoying for all time and in all ways physically emotionally psychologically and spiritually Every one of us is a work of art and like an empty canvas to be painted we are creation itself happening moment by moment as we transform and grow When we master our responses to our environment and unconditionally love ourselves and all other human beings we have then become a Beacon of Light We all have the potential to be a magnificent part of this metamorphosis of light This well written book contains questions for you to contemplate and pages to write your answers What a joyful experience to guide you along your way **Journey of the Self**

Judith, 2014-02-07 Who are the Wayshowers What is the self of my being How did I become separated from truth What is the True Mind From the time of your birth into being there have been these prevailing truths you are love and you are loved you

are complete and you are the spark from the Divine The guide named Mother the true author of this book leads you through the minefield of deception that has held you back from the truth of who you are She takes you back to the beginning of this planet and its first inhabitants shares ancient wisdom and insights about judgment forgiveness and the human mind and much much more There is and has only been one truth and Mother lights this spark of truth within you with great wisdom and clarity Come forth into the act of being and believe in the self is the cornerstone of her message Mother speaks personally to each of you and with expert guidance shows how to come forth in this very important time of ascension She speaks of the Wayshowers the enlightened ones who have come back at this time to lead this planet through the transition from falsehood to truth and from duality into singularity Perhaps you are one of these Wayshowers and her message will help to light your way through your Journey of the Self He who knows others is wise he who knows himself is enlightened Lao Tzu

The Merciful Law of Divine Synchronicity Orest Stocco,2017-03-09 I was going on twenty four and living in Annecy France when it happened a soul moment so charged with energy that it changed the dynamic of my life **Soul-Making** Christina Becker,2025-06-17 The phrase soul making comes from the poet John Keats who struggled with the world s random and meaningless suffering and believed that tragedies were the crucible in which the soul is forged and refined In *Soul Making A Journey of Resilience and Spiritual Rediscovery* Christina Becker shares how her own tragedy from a series of events between 2009 2011 broke her leading to her dependency on alcohol It could have been seen as meaningless but was transformed into soul Part memoir and part self help book this is the deeply personal story of one woman s soul making journey framed around the ideas of Carl Gustav Jung and spiritual practices Readers are invited to think about their own lives in a new way to be curious about the deeper threads that run through their existence and to embark on their own soul making journey This Jungian Analyst demonstrates how redemption is found through self knowledge the expansion of consciousness and most importantly through the cultivation of the heart **Hope Street** Pamela Young,2011-01-20 This is the story of a family which has always lived in the heart of one of the traditional working class communities of the North Originally immigrants from Ireland in the mid nineteenth century their saga their triumphs and tragedies unfolded in the cobbled streets working men s cottages and terraced houses of Horwich near Manchester They worked in the cotton mills and on the railways Like most families at the time they were good socialists and trade unionists They also attended the local Spiritualist church Spiritualism was free thinking modern and progressive too and went hand in hand with socialism The family living on Hope Street North had problems every family has and worse Marriages broke up and they had more than their fair share of loss and heartbreak Within the working class in those days there were many now forgotten class distinctions which caused painful rifts between the family There was a violent bully too and an eviction which left a mother and her children wandering the streets penniless and homeless A young girl was run over and killed by a horse and cart and another died of diptheria An unmarried woman bound her abdomen tightly to disguise her pregnancy and as a result her

child was born with deformed legs As a young woman that child went on to elope with her lover and they both committed suicide She died as she was born in shame The book that would become Hope Street started when Pamela Young felt compelled to write about her mother s childhood of seeing things spirits angels that other people couldn t see Vivid memories of their family life came flooding back coal dusk glistening on her father s scalp as he came home from work the old army coats used as bedding and the dresser with doors missing because they d been chopped up as firewood when times were hard And swirling in and around these very vivid often earthy memories of life in Hope Street were memories of the extraordinary spiritual phenomena that took place there On one occasion a silver ball sped around the room On another her father asking for proof was picked up by a spirit guide and lifted up into the air as light as a feather Pamela would once see her mother engulfed in a cloud of ectoplasm and twice her mother gradually and starting from her head down disappeared before her eyes But it was after her own marriage had broken up and her mother had died when Pamela was in the depths of despair that she found her own spiritual gift Guided by the spirit of her mother she began to fully understand the great project her mother had initiated
