Number the Stars, by Lois Lowry Lisa Leep, 1996. A study guide to accompany the reading of *Number the Stars* in the classroom featuring suggested discussion questions, vocabulary work, worksheets related to Bible passages, and further readings.

In Quest of the Stars and Galaxies Theo Koupelis, 2010-02-04. Available with WebAssign. Author Theo Koupelis has set the mark for a student-friendly, accessible introductory astronomy text with *In Quest of the Universe*. He has now developed a new text to accommodate those courses that focus mainly on stars and galaxies. Ideal for the one-term course, *In Quest of the Stars and Galaxies* opens with material essential to the introductory course: gravity, light, telescopes, the sun, and then moves on to focus on key material related to stars and galaxies. Incorporating the rich pedagogy and vibrant art program that have made his earlier books a success, Koupelis' *In Quest of the Stars and Galaxies* is the clear choice for students' first exploration of the cosmos.

In Quest of the Universe Theo Koupelis, 2012-12. Every new copy of *In Quest of the Universe*, Seventh Edition, print textbook includes access to the Companion Website. Designed for the nonscience major, *In Quest of the Universe*, Seventh Edition, provides a comprehensive, accessible introduction to astronomy while taking students on an exciting trek through our solar system and beyond. Updated throughout with the latest findings in this fast-paced field, the author unfolds historical and contemporary theories in astronomy to provide a clear account of how the science works. His student-friendly writing style and clear explanations acquaint students with our own solar system before moving on to the stars and distant galaxies. New Comparative Planetology boxes and data tables throughout the text examine the similarities and differences in the geology, evolution, and atmospheres of all the planets in our solar system. This rich pedagogy further engages students and motivates them to think critically and develop basic reasoning skills in their studies.

New and Key Features of the Seventh Edition Updated throughout with the latest discoveries in the field with new and expanded content found in each chapter. Added critical thinking and problem-solving exercises can be found at the end of each chapter. New boxes and data tables throughout examine the similarities and differences in the geology, evolution, and atmospheres of all planets in our solar system. To increase understanding and clarity, sample calculations have been added to mathematical sections. Instructor's materials include PowerPoint Lecture Slides, PowerPoint Image Bank, Test Bank, Instructor's Manual, animations, and more. The companion Web site, Starlinks, is included with every new copy of the text and includes study quizzes, Exploration Web links,

animated flashcards an online glossary chapter outlines a calendar of upcoming astronomical events a guide to the constellations and a new math review tutor *Number the Stars* by Lois Lowry Rachel Tolman Terry, 2014-01-31 This homeschool literature unit study does NOT include the original book *Number the Stars* by Lois Lowry You can obtain the original book through your local library or through retailers to use in conjunction with this curriculum Grade Levels 3 7 Themes War Courage Friendship Religious Freedom Unit Projects Essay Diorama Social Studies Project World War II Dictionary Creative Writing Project Schedule 3 Schedules Included 2 Three week Schedules and 1 Two week Schedule Tolman Hall Literature Unit Studies are designed to give you the flexibility to design your own curriculum based on your children s interests while still providing a solid foundation in literature If used as designed your children will learn and understand the literary concepts essential for doing well on standardized tests such as the SAT Literature Subject Test and the ACT Reading Test Even more important Tolman Hall Literature Studies will open your students eyes to ideas concepts and deeper meanings that they may previously have skimmed over in cursory literature studies and in their reading for pleasure Each Unit Study provides background information about the author several possible unit study schedules a plot overview and individual lessons The lessons each contain a reading assignment a summary and analysis of the assignment a vocabulary lesson a reading quiz and short essay questions Depending on your needs and schedule you can customize the lessons to fit your students needs As the teacher you can read along with your students or if you re short on time you can keep up by simply reading the summaries and analyses of each lesson which give enough information for you to discuss the assignment with your student Many homeschooling parents teach more than one student at a time and with Tolman Hall Unit Studies you can teach the same work of literature at several grade levels For instance you could assign the same reading to students in grades 7 and 9 but assign the 9th grader more difficult writing assignments and more mature end of unit projects In this way your whole family can discuss the same books and authors while still meeting grade appropriate requirements Written by Newbery Winner Lois Lowry *Number the Stars* gives children a child sized view of the Holocaust from the perspective of a ten year old Danish girl named Annemarie Johansen When Annemarie s best friend is targeted by the Nazis she has to step out of her comfortable world and be as brave as the Resistance fighters and mature adults around her
