Design Anthropology in Context Adam Drazin, 2020-12-29 This book explores the broad territory of design anthropology covering key approaches ways of working and areas of debate and tension It understands design as fundamentally human centred and argues for a design anthropology based primarily on collaboration and communication Adam Drazin suggests the most important collaborative knowledges which design anthropology develops are heuristic emerging as engagements between fieldwork sites and design studios The chapters draw on material culture literature and include a wide range of examples of different projects and outputs Highlighting the importance of design as a topic in the study of contemporary culture this is valuable reading for students and scholars of anthropology and design as well as practitioners **No More Secrets** Denise Lang-Grant LPC, Irene Colucci-Lebbad LCSW, 2015-06-30 Sexual assault and abuse have been called a worldwide epidemic by the World Health Organization but many clinicians are reluctant to tackle this topic due to their own lack of knowledge or personal anxieties In this ground breaking workbook replete with dramatic examples Denise Lang Grant licensed trauma therapist and award winning author and Irene Colucci Lebbad a licensed clinical social worker with an extensive background in sexual and domestic violence combine fifteen years of experience in running groups for survivors of sexual violence to present the how tos of running a group for adults intended to move group members from crisis to stabilization to integration Keeping in mind that both experienced and novice group leaders will find this guide useful they have included evidence based techniques that will fit easily into any theoretical orientation and practice This guide is a must have for any clinician university rape crisis center or legal entity dealing with sexual violence No More Secrets is a step by step professional guide which can assist mental health practitioners to offer hope and healing for those who have been victims of sexual abuse The authors write about sexual abuse with faith in the power of individuals to overcome their experiences and become strengthened in the process The chapters are written in a clear concise well organized manner and can easily be incorporated into a practitioners skill set or theoretical orientation This is an important and necessary guide that deserves a wide readership Luba Shagawat Distinguished Fellow of the National Academies of Practice and former President of the NJ Society of Social Workers Being a child sexual abuse survivor and a former Penn State football athlete who loves the school and the program I spent years trying to cope with my abuse through drugs and alcohol I was fortunate enough to finally find this group program and I reaped the benefits I believe that the program offered in No More Secrets is a wonderful resource and should be utilized by therapists university training programs and law enforcement agencies to sensitize them to the challenges faced by all survivors of sexual violence Anthony Gordon board member for Defend A Child

Australian Arts: Where the Bloody Hell Are You? John Clark, Peter McCallum, Ian Maxwell, 2018-08-30 Australian Arts Where the Bloody Hell Are You was a one day symposium in December 2006 organised by the Research Institute for Humanities and Social Sciences at the University of Sydney to consider Australia s international arts profile The forum

examined cultural advocacy not as a one way process but as a means of facilitating cultural flows which benefit both artists and society It highlighted the substantial benefits of international cultural exchange and concluded that strengthening existing programs rather than a large bureaucracy would best serve Australia s current circumstances Doubling or trebling Australia s current expenditure would enable the public to enjoy more fully the fruits of those who are currently Australia s biggest arts subsidisers the artists themselves

Susan Isaacs Philip Graham,2023-03-07 This revised and expanded edition of Susan Isaacs A Life Freeing the Minds of Children by Philip Graham provides a comprehensive biography of a highly influential educationist and psychoanalyst The book covers Isaacs childhood through to the end of her life making it of great interest to historians of British education and of psychoanalysis as well as to practicing early years teachers and psychoanalysts Graham describes the origins of the theories behind Isaacs work while also placing her contribution into context with other contemporary educationists He draws on a range of sources including her own published and unpublished papers multiple archives and intimate letters Such wealth of information and anecdotes gives an insight into her childhood marriage and career creating a deeper understanding of both Isaacs personal life and her achievements As only the second biography on Isaacs this book is a valuable resource that shines a light on the life of a figure who has often been neglected in this field of study It provides a shift away from the various male dominated accounts currently prevalent within this area of research Susan Isaacs is crucial reading to raise our awareness and appreciation of the person behind the work while also highlighting and celebrating the impact she has made on today s education and psychoanalytic practice
