BOOK DESCRIPTION: Come for a visit to Walker Island, where you'll find stunning Pacific Northwest ocean views, men too intriguing to resist, and five close-knit sisters who are each about to find their one true love. Morgan Walker, makeup artist to the stars, never thought she'd leave New York City to come back to Walker Island. But when she is tapped to headline her own TV makeover show, she decides it's the perfect time to launch her organic makeup line made from flowers and plants grown on the Walker family plot of land. While she's really excited about getting to spend a few weeks with the sisters and grandmother, she doesn't see nearly often enough. She's equally worried about the possibility of seeing Brian Russell again. Because even though they broke up seven years ago, she's never been able to forget him. Not for one single day. When Brian gets the opportunity to work with Morgan on planting her new garden, he immediately jumps at it. Seven years ago, he thought he was doing the right thing by letting her go to pursue her dreams and see the world. But he's never stopped loving her, and now that she's finally back, he's determined to do whatever it takes to convince her that they belong together forever.
