Vince Dooley's Tales from the 1980 Georgia Bulldogs Vince Dooley,2005 Even Moses could not have parted the red sea of fans who engulfed the Georgia Bulldog football team after it clung tenaciously to a 17 10 victory over Notre Dame in the 1981 Sugar Bowl capping a perfect season to win the school s first consensus national championship Vince Dooley had the perfect view of the bedlam riding atop the shoulders of his players and he had the perfect view of everything that happened in 1980 that led up to the ultimate climax They played with the tenacity of Bulldogs all year yet it might have been the purloined pig that united the team It was also the year the silver britches returned It was the last year for the fans on the railroad tracks And on the eve of a national championship Vince Dooley almost left Georgia to return to Auburn to coach his alma mater One year removed from a mediocre 6 5 season Georgia certainly got a boost from freshman tailback Herschel Walker the most sought after schoolboy athlete in the state s history It was so important that Georgia sign Walker in fact that backfield coach Mike Cavan moved to Wrightsville Georgia 100 miles south of the Athens campus from Christmas to Easter when divine intervention seemingly moved Walker to a decision But Walker alone was not enough The championship season was almost derailed before it started in the season opener when Nate Taylor Pat McShea and even punter Jim Broadway epitomized the roles of the unsung heroes in a one point win And a dramatic comeback was needed to overcome Florida a wide receiver who had lost his scholarship for disciplinary reasons and suffered an offseason injury in a car accident resurrected his college career with the most incredible play in Georgia s history From beginning to end it was a year of unusual drama sprinkled with generous doses of humor And when it was all done the 1980 team had reached a place no Bulldog team had ever gone before Book jacket Invisible No More Ilene Sue Ruhoy, MD, PhD,2025-06-17 From a neurologist who diagnosed her own brain tumor Invisible No More empowers patients with chronic and complex illnesses to take their health into their own hands While Covid 19 has brought increased attention to chronic and complex illnesses these conditions have impacted millions worldwide long before the pandemic Covid was not the first exposure to cause long term disease and disability nor will it be the last In Invisible No More Dr Ilene Sue Ruhoy aims to empower the long term patients of chronic and complex diseases delving into her own
