Retail Shift Online Ethan Evans, AI, 2025-05-05 Retail Shift Online explores the monumental shift of retail towards e commerce fundamentally changing consumer behavior and demanding innovative digital strategies The book argues that traditional retail models are being reshaped by the dominance of online commerce with businesses needing to adapt their supply chain management and embrace digital transformation to remain competitive One intriguing fact is the expectation of convenience and personalization now driving consumer choices forcing retailers to overhaul their approach to marketing Another insight highlights the restructuring of warehousing and logistics to meet the demands of online commerce showcasing how these areas are vital for navigating the e commerce evolution The book progresses logically starting with the core concepts of e commerce and its impact on traditional retail then delving into consumer behavior and innovative strategies Case studies of both successful and unsuccessful retail transformations are presented offering actionable insights for business management The approach is analytical and data driven providing a comprehensive understanding of the challenges and opportunities in this evolving landscape Retail Shift Online provides a valuable resource for those seeking to navigate the world of online commerce emphasizing the importance of agile business models and data analytics It stresses how businesses can adapt by prioritizing customer experience and optimizing their retail operations for the digital age

Notorious Otto English, 2025-05-22 History loves a villain Across the entire span of human civilisation certain people and groups have been identified as being responsible for the ills of the world and have remained hated for it In his continuing desire to separate out the facts from the fiction of history Otto English looks at how these legacies were constructed and who told us that they were evil From how Bloody Mary became the figurehead of uppity women and how Judas s betrayal became a template for

religious tensions for centuries to what the Peasants Revolt and the Illuminati shows us about power struggles throughout the ages English exposes the agendas behind the truths we've been told to believe And in looking at how xenophobia was weaponised during the Spanish Flu he reveals how our past sometimes bleeds into the present day Fascinating and fearless Notorious will re-examine some of the history's biggest villains and change the way you see the world forever

Questioning Technology with Jacques Ellul David W. Gill, Lisa Richmond, 2025-10-07 Twenty first century technology is an ever expanding powerful force in virtually every aspect of human life and every corner of the globe So much of modern technology has resulted in positive improvements in communication work health and other domains Technology's promises and possibilities for the future are often glowing But it is one thing for technology to function as a tool serving human purpose and flourishing and quite another for it to be granted the position of unquestioned master All technologies deserve to be questioned What are their costs trade offs and potential or real negative impact And how do we create limits and controls for technological invasion when these would be wise and necessary Questioning Technology with Jacques Ellul addresses these questions in both the big picture and in their relevance to specific arenas such as art politics work and religion with voices from not just the academy but also the workplace and society
