Stagram Picks Review

**Zhenlong Li, Qunying
Huang, Christopher T. Emrich**

Stagram Picks Review:

Geschichte auf Instagram und TikTok Mia Berg, Andrea Lorenz, Kristin Oswald, 2025-10-01 Instagram und TikTok zählen zu den populärsten sozialen Medien auch für geschichtsbezogene Inhalte. Das zeigen nicht zuletzt die große Zahl und mitunter sehr hohen Reichweiten von Geschichtsdarstellungen auf den beiden Plattformen, die von Nostalgie über KI-Videos historischer Personen oder verfälschende Inhalte bis hin zu Wissenschaftskommunikation reichen. Der Band bietet als erste umfangreiche Bestandsaufnahme einen Einblick in diese Vielfalt von Geschichte auf Instagram und TikTok. Ausgehend von dem Citizen Science Projekt SocialMediaHistory vereint er Perspektiven aus Wissenschaft und Praxis auf Inhalte, Medienspezifika, Akteuren, Nutzungsbedingungen und Möglichkeiten der Erforschung digitaler Geschichtsdarstellungen. Diese werden theoretisch sowie anhand konkreter Beispiele zu verschiedenen Epochen und Themen betrachtet. Hinzu kommen Interviews und Beiträge in denen Creator:innen hinter institutionell sowie privat betriebenen Geschichtskonten von ihren Ansätzen und Erfahrungen berichten. Der Band schafft eine Grundlage für eine breite Annäherung an das Spektrum geschichtsbezogener Auseinandersetzungen auf Instagram und TikTok und will damit zur Reflexion und Diskussion audiovisueller sozialer Medien in Geschichtswissenschaft, Public History und weiteren Disziplinen einladen.

Instagram For Business For Dummies Jenn Herman, Eric Butow, Corey Walker, 2021-01-20 Put your best brand story in front of 1 billion users. One of the most energetically social of the major social media platforms, Instagram has the highest brand engagement rate of them all. Throw in the app's more than 1 billion active monthly users and its powerful business tools including shoppable posts, devoted business profiles and advanced analytics and you have an unmissable opportunity to tell a gripping story that bonds you with your customers and makes your business an integral part of their social media lives. The latest edition of *Instagram For Business For Dummies* puts you in the picture on how to showcase your product, craft your narrative and gather insight into how your customers experience and react to your business. Presented in straightforward, practical language by three Instagram and marketing gurus, you'll swiftly go from setting up your account and profile to applying strategies for writing winning captions and creating content that delivers super-engaged customers. Set up your account, profile and analytics. Upload content and get smart with IG Stories and live video. Build and target paid advertising. Master the art of the hashtag. Whatever your current Instagram skill level, there's always somewhere new to take you. It's the story of your business and there's no better way to begin a gripping new chapter in that story than with this book.

Reviewing Culture Online Maarit Jaakkola, 2021-12-02 This book examines how ordinary users review cultural products online, ranging from books to films and other art objects to consumer products. The book maps different communities in institutional and non-institutional settings which intersect with the genre of review, especially in the social web where reviewing is conducted on platforms such as Instagram, YouTube and Vimeo. The book, drawing on the key concepts of cultural intermediation, platformized cultural production and post-professionalism, looks at user-generated content in lifestyle communities beyond

the binary of professional and amateur production **Instagram For Business For Dummies** Eric Butow, Corey Walker, 2024-12-05 Become an Instagram aficionado and grow your business online Instagram For Business For Dummies shows you how you can tap into the social media platform with over 1 billion active users and the highest brand engagement of any social app out there Businesses of all sizes have discovered how successful they can be when they take advantage of Instagram's powerful business tools including shoppable posts devoted business profiles and advanced analytics This beginner friendly book helps you take advantage of this great opportunity to connect with a broader audience tell a gripping story and make your business an integral part of customers lives This new edition covers all of Instagram's latest features including verified accounts Broadcast Channels and integration with Threads You'll also learn everything you need to know about establishing brand partnerships with influencers making the most of hashtags and creating content that will get you noticed Presented in straightforward language by Instagram and marketing gurus this book will take you from setting up your account and profile to winning new business on Instagram Set up your Instagram business account and link your sales to the Instagram Shopping feature Use analytics to understand your engagement and create better content Learn how to effectively use Instagram Stories Broadcast Channels and Threads Reach more people with brand partnerships hashtags and viral posts Even if you're a complete Insta beginner Instagram For Business For Dummies will help you market your brand on this powerful social platform **Pedagogical Opportunities of the Review Genre** Maarit Jaakkola, 2024-06-28

Pedagogical Opportunities of the Review Genre unleashes the pedagogical potential of the review genre reframing the act of reviewing of cultural products as a communicative practice from a pedagogical perspective Negotiating between traditions of journalism and media studies and pedagogy the author presents a novel approach that will increase the readers understanding of an activity that is on the increase in an era where everyone can be a critic She identifies describes and develops genre based pedagogies in formal non formal and informal contexts of learning and teaching in order to recontextualize the review as a form of learning and rethink of its potential as an inclusive engaging and a transformative critical cultural practice This innovative and truly interdisciplinary study will interest students and researchers in the areas of media literacy digital media media and communication studies cultural studies sociology of arts and pedagogical studies in particular cultural journalism and criticism audience studies cultural production and cultural mediation as well as critical media pedagogy and literacy studies **Ultimate Guide to Instagram for Business** Kim Walsh Phillips, 2017-05-16

Galvan, 2024-11-14 Writing Literature Reviews A Guide for Students of the Social and Behavioral Sciences provides students with practical guidelines for the complex process of writing literature reviews for course projects theses or dissertations and research manuscripts for publication This bestselling book follows a systematic natural progression of steps and focuses on the writing of critical reviews of original research Steps and guidelines are organized sequentially and are illustrated with examples from a wide range of actual and recent academic journals Each chapter is designed to scaffold and help students develop a set of specific products that will contribute to a competent literature review Writing Literature Reviews is ideal for use in research methods courses thesis dissertation preparation courses research seminars where a literature review is expected as a culminating activity or any course in which the instructor needs to cover the vital components necessary to prepare a literature review for a variety of audiences The book is supported by online materials including self test quizzes for students and lecture slides for instructors New to this edition Expanded sections on plagiarism and selection bias Updated chapter examples and references Expanded discussion of digital research tools Discussion of the implications of AI use New model literature reviews that complement existing reviews that our longtime adopters have found useful These can serve as the basis for classroom discussions and as source material for end of chapter activities as needed

Design of Effective Instagram Campaigns Carolin Wesche, 2020-04-28 Master s Thesis from the year 2018 in the subject Business economics Offline Marketing and Online Marketing grade 1 3 University of Münster Institute for Value Based Marketing language English abstract The following study investigates the influence of traditional design stimuli applied to a brand post on the consumer s engagement rate on Instagram Consumer engagement thereby represents the effectiveness of a brand post and is defined by the ratio of the number of likes of a brand post and the number of followers of the brand Aiming at analyzing the effectiveness of traditional design stimuli on Instagram the author gathers 450 Instagram brand posts from five different product categories which are subsequently assessed and coded The researcher then conducts a regression analysis as this allows to evaluate the influence of the traditional visual design stimuli on the consumer s engagement rate Whereas novel cognitive demanding stimuli are not found to influence the engagement rate for a brand post certain physically intensive prominent stimuli as well as some

affective emotional stimuli have a significant influence The present study further investigates the moderating effect of brand knowledge on the magnitude of the stimuli s influence on consumer engagement rate The results indicate that brand knowledge has a moderating effect on certain stimuli For all other stimuli the influence on the engagement rate does not change for different levels of brand knowledge The results further show that design stimuli applied in brand posts on Instagram differ in their impact on the engagement rate depending on the product category shown in the brand post These findings can be used by managers to exploit the benefits of social media marketing on Instagram

Engaging content on Instagram. Best filter choice for the increase of photo views and likes of sport and leisure interested users Ilona Maties,2018-06-18 Bachelor Thesis from the year 2016 in the subject Communications Public Relations Advertising Marketing Social Media grade 7 6 Stenden University course Bachelor of Business Administration Bachelor of Art language English abstract The social media world has increased fast and people become overwhelmed with information Since images play an important role in the social media world organizations have the opportunity to create a profile at the social media network Instagram to post filtered and non filtered photos to engage its users to view like and comment those Photo filters that increase warmth exposure and contrast get more likes and comments because they elicit feelings of arousal and excitement This theory can be attributed to the filters colours since red orange and yellow lead to states of arousal and excitement Next to that sport fans enjoy images in black white and sepia The sport company S is a client that has wished an Instagram profile from the company 12s For that reason the management did send many sport related photos to the media firm which they can post at their profile However the employees who are responsible for the Instagram profile are not sure if they should keep the images original or edit them with filters If they edit photos they can choose between filters what makes the choice harder since they do not know which filter viewers like For solving that problem a research was needed to give recommendations to the organization 12s for the best filter choice by analysing appealing colours and filters of lively Instagram users that are interested in sport and leisure via an experiment For the experiment two groups were randomly chosen which were as similar as possible All participants had to be interested in sport leisure One group had to answer questions about original photos and the second group about edited photos 16 images were posted in original and edited at the Instagram profile Bachelor_Workout to see which photos receive more likes The outcome shows that participants prefer photos edited Approximately edited photos receive min 20 per cent more views and likes compared to original photos Furthermore participants like warm colours filters such as Hefe and Valencia and the colourful filter Clarendon Especially men do like the black and white filter Moon compared to women who prefer the filter X_Pro_II To engage Instagram users who are interested in sport and leisure 12s should edit photos with warm colours to reach the target group of the sport company S If they like to reach more men they can use the black and white filter Moon and if they concentrate more on women with a photo they should use the filter Rise

Mind Over Media Renee Hobbs,2020-10-20 Winner of the AAP 2021

PROSE Award for Excellence in Social Sciences Propaganda is inescapable It's everywhere Students need to analyze resist critique and create Media literacy educators have always insisted that we are both creators and receivers of media messages The truth of this is even more apparent in today's digital environment with children and adults alike participating in a ubiquitous nonstop stream of social media Clearly students need the tools to interpret news and information critically not just for school but for life in a post truth world where the lines blur between entertainment information and persuasion Renee Hobbs demonstrates how a global perspective on contemporary propaganda enables educators to stimulate both the intellectual curiosity and the cultural sensitivities of students Replete with classroom and online learning activities and samples of student work Mind Over Media provides a state of the art look at the theory and practice of propaganda in contemporary society and shows how to build learners critical thinking and communication skills on topics including computational propaganda content marketing fake news and disinformation

Managing Product Reviews: A Comprehensive Guide for Brands and Businesses Sunil Sharma, 2023-06-02 Product reviews are all over the internet Whether you are looking for something online reading a blog post watching a video or on social media you will probably come across a product review Product reviews are a form of feedback or opinion provided by customers who have experienced the product or service They can be written spoken or seen and they can be anything from simple ratings and comments to detailed descriptions and stories Product reviews are not only essential for customers who seek to make informed purchasing decisions but also for brands and marketers who seek to gain a more in depth understanding of their customers improve their products and services and increase sales and profits Product reviews can give you a good idea of what customers want like expect and are happy about They can also help brands and marketers tell their value proposition build trust and credibility and influence customer behaviour However product reviews are not always easy to manage Product reviews come in different types with their own advantages and disadvantages There are also factors that affect how product reviews affect buying decisions such as the source tone content and context of the reviews Furthermore product reviews can pose ethical challenges for brands and marketers who must balance the interests of their business with the rights and welfare of their customers In this book you will learn everything you need to know about product reviews and how to use them for marketing and sales You will discover the following The importance and definition of product reviews for brands and marketers What types of product reviews are there and how are they different Research into the psychology behind product reviews and how they influence customer behaviour The benefits of product reviews for brands and marketers include the ability to gather customer feedback improve product development increase customer engagement and strengthen customer loyalty The ways to get customers to review products through incentives social media and other ways The methods for using sentiment analysis and other techniques to find trends and patterns in product reviews The best practices for dealing with negative product reviews and dealing with customer concerns How to use product reviews to build brand credibility and trust and

boost conversions The ethical considerations for product reviews such as authenticity transparency compliance and balance By the end of this book you will know a lot about product reviews and how to use them to make sales and marketing campaigns You will also have a clear idea of what product reviews will look like in the digital age and what brands and marketers can learn from them If you are a brand owner a marketer a researcher a student or a reader who is keen to learn more about product reviews this book is for you It will provide you with information tips examples and case studies that will help you learn how to manage product reviews well Now it s time to start managing the product reviews

Unternehmenskommunikation über Social Media.
