latest format of Instagram Stories that can be used to create and share 15 second video clips either with your followers or if you have a public account with the larger Instagram community via the Explore page And since video content is all the rage now top brands are using Instagram Reels for business marketing by sharing short video content to convey their branding and advertising messages on the Explore page as well as with followers to gain massive traction As it rolled out to the majority of users in August 2020 this feature is being made available across 50 countries including the U S making it an impeccable platform to interact with audiences and fuel your branding endeavors The timing is also fortuitous given TikTok's uncertain future in the U S as the Trump administration weighs either banning the Chinese owned app entirely or forcing it to sell off its U S operations To put this further into perspective let's take a look at a few stats The average time spent on Instagram increased by 3.5% since the launch of Instagram Reels For Example Some published data reflects recent development as follows Two thirds of the NBA's franchises have posted at least one Reel since the feature launched in the United States The Los Angeles Lakers top the league in engagement on Instagram Reels with more than 385,000 engagements and more than 4.1M plays on a single video Louis Vuitton averages 7M views on each Reel and are still increasing Sephora France gets more than 453K views on each Reel and more That is great news for businesses that want to survive and thrive despite the challenging economic conditions So here we are with our Awesome course Instagram Reels Marketing This guide will discuss why Instagram Reels Marketing is important for your business as well as the process of creating attention grabbing sales oriented videos on them and all the answers about utilizing this platform All in all it is jam loaded with information on how to showcase your brands using the Instagram Reels in an effective way and inspire sales oriented actions from your Instagram Page This course covers All you need to know to get started with Instagram Reels Find out how to use Instagram Reels for Business Marketing Explore the difference between Instagram Reels TikTok Discover how to produce Reels content that will successfully engage users Find out how to run a successful Instagram Giveaway Explore the tips and ideas on how to use Instagram Reels to grow your Brand Find out can Instagram takedown TikTok with Reels Discover is Instagram Reels Worth Pursuing Pros and Cons for Marketers Explore Instagram Reels Marketing Success Stories

All You Need to Know About the Music Business Donald S. Passman, 2015-11-10 All You Need to Know About the Music Business by veteran music lawyer Don Passman dubbed the industry bible by the Los Angeles Times is now updated to address the biggest transformation of the music industry yet streaming For more than twenty five years All You Need to Know About the Music Business has been universally regarded as the definitive guide to the music industry Now in its tenth edition Donald Passman leads novices and experts alike through what has been the most profound change in the music business since the days of wax cylinders and piano rolls For the first time in history music is no longer monetized by selling something it's monetized by how many times listeners stream a song And that completely changes the ecosystem of the business as Passman explains in detail Since the advent of file sharing technology in the late 1990s to the creation of the

iPod the music industry has been teetering on the brink of a major transformation and with the newest switch to streaming music this change has finally come to pass Passman s comprehensive guide offers timely authoritative information from how to select and hire a winning team of advisors and structure their commissions and fees navigate the ins and outs of record deals songwriting publishing and copyrights maximize concert touring and merchandising deals and how the game is played in a streaming world If you want to be in music you have to read this book says Adam Levine lead singer and guitarist of Maroon 5 With its proven track record this updated edition of All You Need to Know About the Music Business is more essential than ever for musicians songwriters lawyers agents promoters publishers executives and managers anyone trying to navigate the rapid transformation of the industry

Instagram Marketing Algorithms Michael Gates, 2020-10-06 The way brands communicate with their existing and target audience has undoubtedly transformed One of the main reasons for this transformation is the increase in the popularity of social networking platforms These days an increasing number of brands are using visual media for communicating their brand s message Social media has certainly revolutionized our lives Instagram has stood the test of time and is now one of the most popular social networking platforms today So if your brand isn t already on Instagram then there is no time like the present to get started Instagram has been around for a while but not a lot of people know how to make the most of its features The creators of this platform keep introducing new features along with changes to the algorithm So it is quintessential that you stay on top of all the updates In this book you will learn about the things you need to increase your following on Instagram so you can maximize your profits You will be given information about the different benefits you can reap by using Instagram You will learn about various tips for choosing the perfect Instagram name and tricks to optimize your brand s Instagram profile Apart from this you will also learn about specific strategies for building your niche on Instagram and thoroughly engage your audience Marketing on Instagram and how you can increase your following are also discussed in detail in this book A combination of all these factors will ensure that your brand makes the most of all that Instagram has to offer You will want to make sure that whatever strategy you start to use on Instagram is going to keep the focus on the brand that you have built and how that brand sees the world Instagram is great for sharing videos and photos so make sure that when you connect the business with your followers make sure that it stays consistent with your brand rather than straying away or showing things that just don t go together Use your brand or company name in hashtags the hashtags that you pick don t have to be complicated If you already have a pretty good following on Instagram or your brand name is well known go ahead and use this as one of your hashtags This will make it easier for your followers to find you because they can just search the name and find some of your posts Make a follower famous it is not just about your followers checking out your posts it is about how you interact with your followers Take the time to look over the pages of your followers and then like and share some of their posts This helps to show the customers that you really appreciate them because you are acknowledging their cool posts and sharing them with others on your page

Be careful with this one though because some may be personal and you should always ask for permission beforehand if you are unsure whether they would like it shared or not So if you are ready to learn more then let us get started immediately

Instagram Secrets Alexander Vinci, 2021-09-04 Do you want to know how Instagram really works and what mindset you must have to succeed in this platform If you just starting reading through this guide and are thinking that your business isn't an eCommerce business and so Instagram isn't the place for you think again Remember the key proposition that Instagram brings is visualization Consider these examples 1 You're a real estate agent and want to highlight the newest mountain home that you have on the market 2 You are a world class hospital that just released a new mother's ward with beautiful birthing and stay suites with a spa like feel 3 You're a restaurant owner and want to highlight your savory and mouthwatering specials each week The above examples are all situations where nothing is actually being transacted online but the business is building brand awareness and drumming up interest so that the consumer will visit their website or pick up the phone to learn more The mysterious Instagram algorithm While we'll never know exactly how Instagram has weighted the various data points that they put into their algorithm we do know that Instagram's back end technology now focuses on relevancy serving up the posts that are most likely to relate to certain users based on their activity on the site So every time a user clicks through a post or spends a certain amount of time looking at a certain influencer Instagram is capturing that data in some way and building it into their engine to ensure that posts that users won't care about are less likely to show up in their feed We do know however that Instagram is looking at the following Timely content This is all about recency meaning if a user hasn't logged in for a while they won't have to scroll through outdated and no longer relevant posts They'll be shown timely content that matters to them Interest This is really the secret sauce as Instagram is paying attention and will serve content that it believes the user will be interested in Relationships Instagram knows what photos users tag and where they comment So if a user has interacted in some way with certain brands in the past they are far more likely to be served content from that brand or similar brands in the future For marketers this is a great thing It means that as Instagram learns more about your brand your posts and advertisements are more likely to get in front of your niche or target audience A few notes about Instagram Shopping With the release of Instagram Shopping in late 2016 Instagram literally turned their platform into an online marketplace While it is still a common practice to include website links to your business site and even to a product page now it is possible to allow the customer to transact directly on the Instagram platform For businesses that want to enable the Shopping capability they need to meet the following requirements You must have an Instagram business profile That business profile needs to be connected to a Facebook catalog Your company's registered headquarters location must be located in one of the Instagram approved countries Items for sale must be physical goods that comply with the trading guideline and terms of use set forth by Instagram As this Instagram Marketing Guide is intended as a resource for those getting started with Instagram marketing we will not be providing a deep dive of the Instagram Shopping capability Here is a

Viharika, 2024-07-08 Social Media For Small Business Franziska Iseli, 2021-03-23 Discover how social media can transform your business and help you attract more customers Social Media For Small Business delivers a step by step guide to unlocking the potential of social media to grow your business Award winning author and entrepreneur Franziska Iseli walks you through how to use Facebook LinkedIn Instagram YouTube Twitter and Pinterest to market your small to medium sized business The book provides you with Effective marketing strategies to get more out of your social media efforts Systems to bring structure into your entire marketing approach Tools to make your brand irresistible across your customer touchpoints Case studies to highlight the application of the book's principles to the real world Practical strategies you can put in place immediately to see a rapid return on investment Perfect for busy business owners business managers and marketing teams wanting to find new and effective marketing tools to attract more customers Social Media For Small Business also belongs on the bookshelves of anyone who has difficulty with or wants to learn more about how social media can have a positive impact on their business and brand **Big Tech Acquisitions and Merger Control** Nils

Stock, 2025-09-30 Big Tech Acquisitions and Merger Control Challenges Posed by Digital Platforms and Ecosystems Nils Stock Although legal analysis of merger related firm dominance in Big Tech has emphasised the so called GAFAM Google Amazon Facebook Apple and Microsoft this important book stresses the necessity for a much broader view Numerous large tech platforms continue to seek dominance in and across various market segments by acquiring small start up companies with high competitive potential but yet little or no turnover thereby running the risk of escaping antitrust scrutiny This phenomenon is now often referred to as killer acquisitions and it raises problems with regard to both the jurisdictional and the substantive aspects of merger control which this book addresses comprehensively Focusing on legislative initiatives and enforcement practice especially in the European Union and the United Kingdom and through an in depth analysis of the most prominent decisions concerning Big Tech acquisitions the author spells out the nature of such relevant legal issues and strategies as the following the economic principles of platform competition and the particularities of digital ecosystems including their implications for merger control an extensive comparison of different jurisdictional rules and notification requirements beyond standard turnover thresholds how Big Tech acquisitions can be subjected to scrutiny in the European Union via referrals under Article 22 of the European Union Merger Regulation EUMR potentially in combination with national call in tools and or Article 14 of the Digital Markets Act DMA and how the latter compares to the reporting requirement under the Digital Markets Competition and Consumers DMCC Act in the United Kingdom market definition and market power assessments including but not limited to social media and advertising markets how both traditional and novel theories of harm can be applied in the context of digital platforms and ecosystems application of theories of harm relating to

killer acquisitions and reverse killer acquisitions the development of an ecosystem theory of harm and artificial intelligence as the new frontier Policy proposals and the academic legal literature are taken into account with due regard to economic considerations as well With competition authorities and legislators worldwide grappling to find an appropriate response to the expansion and consolidation of dominance in various digital markets it appears necessary to contemplate alternatives to the current turnover based notification thresholds and to rethink the substantive assessment of Big Tech acquisitions This book with its thorough guidance on the characteristics challenges and treatment of digital platforms and ecosystems in the context of merger control and its clear exposition of applicable theories of harm will greatly assist practitioners competition authorities and policymakers to successfully navigate through the challenging tasks of establishing jurisdiction defining relevant markets and assessing market power and competitive harm

Master Online Business Without Overthinking It: Clear Paths, Clean Funnels, Daily Income Sybex Books,2025-06-23 Overthinking is the enemy of momentum Master Online Business Without Overthinking It is your no fluff step by step guide to starting stabilizing and scaling a profitable online business without drowning in options overplanning or decision fatigue The internet is filled with tactics blueprints and conflicting advice This book clears the noise and hands you the essentials a clear offer a buyer ready funnel and a consistent sales engine Start where you are Build what you can now Strip everything down to what matters solving problems building trust and creating repeatable income Focus on a lean tech stack Create one sales page that converts Launch one product before dreaming up ten Stop hiding behind perfection Stop bouncing between strategies And start taking the kind of simple aligned action that compounds over time You don t need to be a master of everything You need to master what actually moves the needle Build a system that runs whether you re posting or not Create content you can repurpose not recreate Make sales a rhythm not a surprise Online business isn t complicated But it requires clarity consistency and the discipline to stop chasing what looks good and build what works This is that guide Get out of your head Get into aligned action And let your results do the talking

Social Media Marketing Workbook 2022 Jordan Smith,2022-07-01 Social media has become the fastest moving industry in the world Businesses can grow faster find new customers quicker grow their wealth and knowledge by reaching out to people from all over the world This is something that was not possible several decades ago when the only form of marketing accessible to most businesses was print radio and television advertising Your reach was restricted based on your budget and you had no control over how many times your target audience would listen or see the content you are putting out there Well not anymore One of social media s most powerful features is the way it can connect people from all over the world in a matter of seconds It doesn t matter where you are located as long as you have a working internet connection and some device to view content on you re connected For businesses this has been an incredible advantage Imagine the business potential when you can now reach millions of customers worldwide Social media has changed the world of marketing forever For example your business can go live in a matter of seconds to people across the

world Your product launch when it is done as live broadcast it is instantly shown to customers from every country imaginable You get to share the amazing things that happen in your company with your loyal customers and build relationships with them in a way that you never could before social media came along This platform has forced businesses to become more creative innovative and more attentive to what the customers want in order to keep the content fresh relevant and appealing to the target audience Social media has also become a hotbed of research and this is where your business begins to transform your marketing strategies The next chapters will be your guide to marketing your business on this social digital space like a winner

My Russia Jill Dougherty, 2025-04-15 My Russia reveals CNN s Jill Dougherty s transformative journey from a Cold War era obsession with Russia to witnessing firsthand the rise of Vladimir Putin and the unraveling of a nation she grew to love At the height of the Cold War as a high school freshman CNN s Jill Dougherty developed an obsession with Russia Over the next half century she studied in Leningrad traveled across the Soviet Union lived in Moscow and reported on the presidencies of Mikhail Gorbachev Boris Yeltsin and Vladimir Putin Jill s life and Putin s intersected They studied at the same Russian university Jill was named CNN Moscow Bureau Chief just as Putin began his rise to power She knew he was a former KGB officer but she also believed he was an economic reformer As Putin tightened his grip on the media she changed her mind In 2022 reporting from Moscow as Russian tanks rolled into Ukraine she was convinced the leader with whom she once had sympathized was a tyrant threatening to destroy a country she had come to love My Russia charts Russia s evolution through the eyes of an American with rare insight into Russia its people and its leaders
