idea **My Manifest and the Grail** Imma Andkaer, 2013-05 It was quite by accident that Imma Andkaer first learned that her husband Michael could see into a person's aura and witness injury, disease, and a variety of emotions such as anger, love, hate, and fear. In her memoir *My Manifest and the Grail*, Andkaer traces a journey into a fascinating hidden world just beyond our sight in which everything we think and believe produces the energies of love or hate. Andkaer chronologically shares her experiences beginning with a traumatic childhood during which her mentally ill mother was taken away from their family. She continues through her adulthood as she married, overcame a near-death experience, became pregnant, and eventually divorced the man who had come to manipulate her at every turn. As she reveals how she bravely faced life alone as a single mother of a cherished son, Andkaer recalls a dark time she attempted suicide and wondered if anyone would ever understand her pain. It was only when she vowed to heal herself from within that she began to see visions that took her on an empowering journey to the truth. *My Manifest and the Grail* shares one woman's incredible life story as she unites her spirit with the Touch to offer an important message of healing.
