Falling for You (A Bradford Sisters Romance Book #2) Becky Wade, 2018-05-01 Famously beautiful model Willow Bradford is taking a temporary break from her hectic schedule to work as the innkeeper at her family's small town bed and breakfast. She was enjoying the peace of her hometown Merryweather, Washington, right up until she came face to face with Corbin Stewart, the man she loves to hate. A thoughtful rule follower by nature, Willow threw caution to the wind four years ago when she entrusted her heart to Corbin and suffered the consequences when it all fell apart. Former NFL quarterback Corbin is forceful, charming, and accustomed to getting what he wants, except where Willow Bradford is concerned. Unable to forget her, he's never stopped regretting what happened between them. When their paths unexpectedly cross again, he's determined to make her give him a second chance. When a decades-old missing persons case finds Corbin and Willow working together, they're forced to confront their past and who they've become and whether they can risk falling for one another all over again. *Lives Collide: Collide Series, Book 1 - FREE Medical Romance* Kristina Beck, 2017-02-01 A FREE emotionally charged second chance medical romance series starter filled with tough choices, gut-wrenching moments, inspiration, and laughter. Happily Ever After guaranteed. Serendipity at its best. You can plan your life, but sometimes life has a mind of its own. Following Lisa's near-death experience as a teenager, she is haunted by the emerald green eyes of the stranger who saved her life. Her only connection to him is the leather jacket he left behind. Years later, she's still reeling from the aftereffects of her injuries, convinced that no man will love her once he uncovers her secret. She lives a life of solitude and hides behind her days of monotony. And then James storms into her life. After James helps a young girl in a car accident, he sets his life course determined that nothing will stand in his way. Once he accomplishes his dream of becoming a doctor, one unforeseen event changes his orderly existence into one of chaos. He spirals downward and can't summon the strength to pull himself from the edge of despair. Until Lisa becomes a beautiful distraction. Familiarity and a sense of peace draw them to one another. They soon discover they lived parallel lives that intertwined at the most crucial points. Can their revelations help them face their fears and move forward, or will history repeat itself?
