Choices LeAnn Newsom, 2025-11-03

Were you aware various studies show the average adult makes over thirty three thousand total decisions choices in a day These include what you eat what you wear what you say and how you say it Think how much work that is right there Let s suppose you sleep seven hours a day new moms excluded then roughly you re making two thousand decisions choices per hour That comes out to one decision every two seconds Whew Tired already With statistics like this you can understand the necessity of reviewing every decision A choice is simply what you decide to do or not to do every moment of every day Your belief system plays into this with your moral values being a guiding factor for your decisions It is the lens you look through for outcome Every choice you make leads to a consequence whether good or bad When you put this truth together with the fact that you have a limited amount of time you gain a new perspective on how you spend your time If that alone was all the information given I believe it would point you to the necessity of making the most out of your day which requires making wise choices with your time Are

you Do you think before acting Do you ask God to help you stay in his will throughout the day Do you pray against the lure of distraction Or do you just barely survive the days Barely surviving or just getting by was never God s plan for you Your life was meant to make an eternal impact However for this to occur you must make the choice to slow down and make choices wisely looking through the lenses of eternity and not what feels good now The choice to exit the highway of distractions detours and empty delays to the two lane road where the drive is slow enough to see the opportunities around you This is where you will find God s purpose peace contentment and fulfillment Are you ready to look at your choices as what they are The attraction and lure of the things of our hearts are attached too A determination of the will is required to make the choices needed that brings God the most glory and puts our wants aside Compromise and casual Christianity have become common and you were meant for more than that Dig through the choices made by God s people that have come and gone before you and glean from their mistakes and triumphs You might discover your every moment s choices have greater ramifications than you ever thought
