Goodreads Choice This Month:

Eine Ahnungsvolle Zukunft Gregory Kopp, 2023-09-19 Die zunehmende autoritäre Aggression im Ausland bringt den schneidigen Offizier des britischen Militärsgeheimdienstes Richard Cordwell in Lebensgefahr als er sich seinem bisher furchteinflößendsten Feind gegenübersieht nur um von der schönen französischen Spionin Madame Duvernay gerettet zu werden. Unterdessen sorgt im eigenen Land die Verabschiedung des Antirassengesetzes das die heutigen Kulturkampfe und die Kontroverse um Buchverbote widerspiegelt für Aufruhr in New York City da eine unschuldige Frau vor Gericht gestellt wird. Während sich diese Ereignisse entfalten stehen die Hoffnungen und Träume einer Einwandererfamilie vor einer unheilvollen Zukunft doch die Entdeckung von Gold und das Wachstum von Städten in den Prärien des Westens stellen ihren Glauben an den amerikanischen Traum wieder her. Die spannende Kopp Chroniken Saga geht weiter während Herrscher die Weltbühne verlassen und neue aufsteigen um den Wiederaufstieg ihrer Nation anzuführen. Forget Me Not Stacy Willingham, 2025-08-26 A pulse pounding new Southern thriller from the author of the runaway bestseller *A Flicker in the Dark*. Twenty two years ago Claire Campbell's older sister Natalie disappeared shortly after her eighteenth birthday. Days later her blood was found in a car, a man was arrested and the case was swiftly closed. In the decades since Claire has attempted to forget her traumatic past by moving to the city and climbing the ranks as an investigative journalist until an unexpected call from her father forces her to come back home and face it all anew. With the entire summer now looming ahead a summer spent with nothing to do in her childhood home with her estranged mother Claire decides on a whim to accept a seasonal job at Galloway Farm a muscadine vineyard in coastal South Carolina less than an hour away from where she grew up. At first glance Galloway is an idyllic escape for Claire. A scenic retreat full of slow paced nostalgia as well as a place where her sister seemed truly happy in that last summer before she vanished it feels like the perfect plan to pass the time. However as soon as Claire starts to settle in she stumbles across an old diary written by one of the vineyard's owners and what at first seems like a story of young rebellion and love turns into something much more sinister as it begins to describe details of various unsolved crimes. As the days stretch on Claire finds herself becoming more and more secluded as she starts to obsess over the diary's contents as well as the lingering feeling that her own sister's disappearance may be somehow tied to it all. Galloway was supposed to be a place to help her move forward but instead Claire quickly finds herself immersed in her own dark and dangerous past. Summary of Reminders of Him Alexander Cooper, 2023-01-16 Reminders of Him A Comprehensive Summary Reminders of Him by Colleen Hoover was as of late conveyed and I understand there's been a lot of energy among her fans around the appearance of her freshest book What's more it's free on Kindle Unlimited to seek after a free starter Ensuing to getting Verity I didn't know whether her books were really a solid match for me but I've been in the disposition for some feeling as of late so I regularly Hoover's latest conveyance was on my radar I similarly comprehended that Verity was a more prominent measure of faint opinion which isn't really what I'm into which is perhaps why I didn't see the value in it Assists with recalling that Him seemed like it might be considerably more a misfortune and perhaps a bit sure which I understood I'd will undoubtedly bounce on board with In Reminders of Him Kenna has actually gotten away from prison for a heavy drinker driving disaster that achieved her darling Scotty's passing After the incident she'd learned she was pregnant and had gone to prison in a split second some time later By and by following five years she returns to town needing to see her young lady yet she ends up associating with Scotty's dearest friend who she hadn't met before then The contracted type of this review is that this book is a fair type of unequivocally the sort of book it's meaning to be Thusly if you want a misfortune y feeling you'll no doubt genuinely it A more extended out variation of this is to say that my overall impressions of this were all things considered sure Basically I found the central ardent plotline in it to be sweet and convincing I partook in that there was an

incredible development to their relationship which felt sensible It helps that the piece and pacing are both solid which you d expect from a pre arranged maker like Hoover Exactly when I at first read the explanation I was a little stressed that this book would be all things considered a grouch and I think it successfully could ve transformed into a semi putting story in some unsuitable hands down In any case Hoover really buckles down of managing the tone of the novel so it feels energetic yet completely not exorbitantly troubled The male saint is an all around traditional ardent legend but I liked that the principal individual of Kenna had a charming sensation of character which helped me with appreciating and root for their relationship Kenna is depicted as someone with a deplorable puberty achieving being someone in her more young years who wasn t really set up dressed somewhat provocatively and wasn t the sort of individual watchmen required their youngster to get back I adored her deformities and it made the story feel fairly more real to me Here is a Preview of What You Will Get A Detailed Introduction A Comprehensive Chapter by Chapter Summary Etc Get a copy of this summary and learn about the book
