Stitched Together Bob Thompson, 2019-10-15 When Bob Thompson asked his granny years ago why she continued to create so many of her beautiful quilts she said it was the only way she could reach across time touching and giving her descendants her energy And just like his granny Thompson s gift of storytelling provides a reverence and buoyancy all its own This collection combines personal and family experiences to create a patchwork quilt of gripping stories with the comfort of memory Thompson draws on his mother s seventy years of diaries handwritten notes and recipe cards to reveal that every story no matter how small has some wisdom to impart He describes how as a child he would pass his days on the front porch of his granny s country store in western Kentucky and listen to regulars swap stories and spin yarns which cemented his passion for storytelling His granny s methods of quilting provide an interesting perspective on life She never hurried her stitches were small and even Fascinated with numbers I counted as many as eight hundred per square and did the math sixteen thousand for a twin bed sized quilt When I mentioned that some of Great Grandmother Brim s quilts had stitches so large that you could get your big toe caught in them Granny smiled and said It s not the size of the stitches that count it s the spaces between them Thompson s poignant narratives of community friends and family impart the significance of the quiet moments and meaningful spaces between everyday events In doing so they demonstrate that there is something to be gained from every human experience [A Cup of Autumn](#) Melissa McClone, 2022-09-12 He thought he had the perfect plan When elite university professor Keaton Andrews walks into a meeting with the dean he expects to hear that his tenure application is on track Instead his beloved department is cut Regrouping in Silver Falls with family seems like his best option One morning he takes a risk and orders a pumpkin spice latte from the beautiful barista at the local coffee shop Too bad she doesn t seem to find him nearly as intriguing as he finds her Raine Hanover is no longer swayed by a charming smile especially by a nerdy and distractingly handsome academic She s taking a break from romance and focusing on running her increasingly busy coffee shop But when Raine is involuntarily put in charge of organizing the town s Halloween bash Keaton jumps in to help and it s not long before sparks and kisses fly As the leaves begin to fall Raine wonders if she should risk taking another chance on happily ever after especially with a man who has dreams and goals so far away from Silver Falls and her [Get on the Job and Organize](#) Jaz Brisack, 2025-04-29 For fans of Fight Like Hell and A History of America in Ten Strikes the leader of the Starbucks and Tesla union movements shares stories from the front lines to help us organize our own workplaces Get on the Job and Organize is a compelling inspirational narrative of the Starbucks and Tesla unionization efforts telling the broader story of the new nationwide labor movement unfolding in our era of political and social unrest As one of the exciting new faces of the American Labor Movement Jaz Brisack argues that while workers often organize when their place of work is toxic it s equally important to organize when you love your job With an accessible voice and profound insight Brisack puts everything into the context of America s long tradition of labor organizing and shows us how we too can
