Preventing, diagnosing, treating, and curing cancer are therefore more than ever imperatives facing medicine, especially to continue the decrease in cancer mortality rates and to improve the quality of survival. Over time, the classic modes of treatment, surgery, external beam radiotherapy, chemotherapy, have become more refined and efficient. makes these concepts and innovations accessible to a wide audience especially in the interest of patients It also contributes to the oncological field of 4P medicine with 4P standing for predictive preventive personalized and participative

And Then There Was Me Sadeqa Johnson, 2017-04-11 Bea and Awilda have been best friends from the moment Awilda threw her fourteen year old self across Bea's twin sized bed as if they had known each other forever. Bubbly adventurous Awilda taught sheltered shy Bea how to dress wear her hair and what to do with boys. She even introduced Bea to her husband Lonnie in college who pledged to take good care of her for the rest of their lives. But philanderer Lonnie breaks that promise over and over again leaving Bea to wrestle with her self esteem and long time secret addiction. Recently Lonnie has plopped the family in a New Jersey upper class suburb which lacks the diversity that Bea craves but has the school district and zip code envy that Lonnie wants. The demands of carrying a third child and fitting into this new environment while pretending that her husband is not cheating on her again is more than she can handle. And just when she thinks things can't get any worse the ultimate deception snaps the little thread that was holding her life together and all comes tumbling down. Sadeqa Johnson's **And Then There Was Me** is the story of love and friendship heartache and betrayal. It's the journey of a woman stripped down to her lowest point and needing to find the will to press on.

Equal Power Jo Swinson, 2018-02-01 Shortlisted for the 2018 Parliamentary Book Awards Best Memoir by a Parliamentarian. Why is gender inequality so stubbornly persistent? Power. Even today power remains concentrated in the hands of men right across the worlds of business politics and culture. Decisions taken by those with power tend to perpetuate gender inequality rather than accelerate solutions. And those who see the problem often feel powerless. Ingrained sexism and gender inequality can seem too huge to solve. **Equal Power** holds a mirror up to society showing the stark extent of gender inequality while making the case that everyone has the power to create change. Whether you are a teenage student a global CEO or a taxi driver there is much we can do as friends consumers parents and colleagues to create a world of **Equal Power**. In this inspiring and essential book deputy leader of the Liberal Democrats and former Government Minister for Women Jo Swinson outlines the steps we can all take small and large to make our society truly gender equal.
