Your smarter, easier, and more connected life starts here.

Translator: Nicolle Raven **PUBLISHER:** TEKTIME **Bringers of Order** James N. Gilmore, 2025-02-04 Wearable technology, including smartwatches, biometric trackers, and body cameras, are often touted as helpful tools that record, produce, and analyze data about daily life to improve our individual habits and health or to solve serious public issues. In this book, James N. Gilmore argues that these lofty promises mask forms of surveillance and power. Charting the implementation of wearables in areas of accessibility, health, sports, labor, law enforcement, and infrastructure, Gilmore demonstrates how these devices have been positioned as authoritative means for producing knowledge about human activity. Drawing on news reporting, advertising, film, and television, company reports, and legal policies, he shows how this knowledge production reproduces three distinct modes of power: normalcy, surveillance, and solutionism. *Bringers of Order* empowers readers to examine the complicated ways our devices reshape how we think about our lives and our ethics, and why we should resist companies analyzing our personal data. *The Last Word* Elly Griffiths, 2024-01-30 THE INSTANT SUNDAY TIMES BESTSELLER

Cosy crime of a superior order. Sunday Times Words can be dangerous. Sometimes they kill. Nataka and Edwin are running a detective agency in Shoreham, Sussex. Despite a steady stream of minor cases, Nataka is frustrated, longing for a big, juicy investigation to come the agency's way. Then a murder case turns up. Local writer Melody Chambers is found dead, and her family are convinced it is murder. Edwin, a big fan of the obit pages, thinks there's a link to the writer of Melody's obituary, who predeceased his subject. The trail leads them to a slightly sinister writer's retreat. When another writer is found dead, Edwin thinks that the clue lies in the words. Seeking professional help, the amateur investigators turn to their friend, detective Harbinder Kaur, to find that they have stumbled on a plot that is stranger than fiction. The unmissable new novel from the bestselling author of the Dr Ruth Galloway Mysteries. Praise for *The Last Word*: Outstanding and hugely entertaining. Irish Independent. Twisty Crime Monthly. The characters show real light and shade, and there are ample comedic one-liners. Belfast Telegraph. This mystery will have you hooked. Candis. Kept me guessing to the end. Saga. A Sunday Times bestseller. w/c 01/02/2024

FAQs About Concert Tickets AirPods Tips Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Concert Tickets AirPods Tips is one of the best book in our library for free trial. We provide copy of Concert Tickets AirPods Tips in digital format, so the resources that you find are reliable.
