Goodreads Choice Discount Tutorial:

Violence in Popular Culture Laura L. Finley, 2018-11-09 A comprehensive resource this book reviews current and historical examples of violence in film television radio music music videos video games and novels Despite decades of attention and various attempts to enact legislation that limits violence in American popular culture it remains ubiquitous across films television radio music music videos video games and popular fiction Studies have shown that programs marketed to children are often remarkably violent and that viewing or otherwise consuming such violence has numerous negative effects on children's psychological health This book sheds light on the scholarship related to violence in popular culture and compares historical and current examples analyzing popular shows such as Game of Thrones video games such as Mortal Kombat young adult fiction including the trilogy The Hunger Games and more Not only does Violence in American Popular Culture provide a comprehensive review of the research about the effects of violence in media but it also offers detailed assessments of violent content in various expressions of popular culture In addition it invites readers to compare violence in American popular culture with that globally via entries on violence in popular culture outside the United States An appendix of additional resources and primary sources gives readers further tools for deepening their understanding of this complex and controversial issue

Bookmarking Alicia E. Vandenbroek, 2012-07-16 With easy to follow tutorial guides this book is your one stop shop for implementing creative activities for all ages on social bookmarking tools Focusing on ways social bookmarking can impact academic and public libraries and increase collaborations with both patrons and faculty Bookmarking Beyond the Basics introduces a variety of social bookmarking websites with helpful tutorials and activities for a wide range of users It addresses social bookmarking sites such as Delicious Avos LaterThis Jog the Web Sqworl LiveBinders Diigo and covers shared bookmarking with QR codes The description of each website is accompanied by practical information on how to use this bookmarking tool in the classroom school library or public library to create personal learning networks and provide resources for patrons The book describes ways classroom teachers can work collaboratively with librarians to incorporate social bookmarking into the classroom Included activities are developmentally appropriate for primary grade students up to adult patrons

Pedagogical Opportunities of the Review Genre Maarit Jaakkola, 2024-06-28 *Pedagogical Opportunities of the Review Genre* unleashes the pedagogical potential of the review genre reframing the act of reviewing of cultural products as a communicative practice from a pedagogical perspective Negotiating between traditions of journalism and media studies and pedagogy the author presents a novel approach that will increase the readers understanding of an activity that is on the increase in an era where everyone can be a critic She identifies describes and develops genre based pedagogies in formal non formal and informal contexts of learning and teaching in order to recontextualize the review as a form of learning and rethink of its potential as an inclusive engaging and a transformative critical cultural practice This innovative and truly interdisciplinary study will interest students and researchers in the areas of media literacy digital media media and communication studies cultural studies sociology of arts and pedagogical studies in particular cultural journalism and criticism audience studies cultural production and cultural mediation as well as critical media pedagogy and literacy studies

Ready or Not Stacie G. Goffin, Valora Washington, 2019-06-07 *Ready or Not* made its mark in 2007 by boldly calling for a field wide response to the question What defines and bounds early care and education as a field of practice A dozen years later this question remains pivotal to the field s understanding of its present and its aspirations for the future In this updated and expanded edition Goffin and Washington reunite to examine the major issues that must still be addressed if children are to be given more and better opportunities This second edition will help everyone whose work impacts the ECE workforce including those working directly with children to deepen their commitment to adaptive and systems work and to develop the leadership capacity needed to become change agents *Ready or not* early childhood education needs to tackle its adaptive challenges Nothing less will enable it to shift the field s developmental trajectory fulfill its potential and satisfy its obligations to children families and society The second edition of *Ready or Not* is a reflective self examination of the field of early care and education It is a must read book Marquita Furness Davis Bill Melinda Gates Foundation Goffin and Washington boldly identify the barriers and opportunities we face Anne Douglass University of Massachusetts Boston A must read for those that are invested in early care and education Tracy Ehlert State Representative for Iowa House District 70 Cedar Rapids IA A must read for everyone who is committed to the field s success Ariel Ford Office of Early Learning City of Chattanooga

You Will Be Made to Care Erick Erickson, Bill Blankschaen, 2016-02-22 Religious liberty is under attack in America. Your freedom to believe may not last much longer. To all those who say they don't care about the culture war, Erick Erickson has only one response: The Left will not let you stay on the sidelines. You will be made to care. Now the former Editor in Chief of RedState.com joins with Christian author Bill Blankschaen to expose the war in America on Christians and all people of faith who refuse to bow to the worst kind of religion: secularism. One intent on systematically imposing its agenda and frightening doubters into silence. The book features first-hand accounts from Christians who've been punished for their beliefs and the perspectives of concerned thought leaders to make the case that Americans of faith can't afford to ignore what's happening now. **You Will Be Made to Care** offers hope for preserving freedom of conscience with practical steps that believers, families, pastors, church leaders, and citizens can take to resist tyranny and experience a resurgence of faith in America.

Eventually, you will no question discover a other experience and achievement by spending more cash. nevertheless when? reach you endure that you require to acquire those every needs as soon as having significantly cash?
