Mardy Ireland, Teri Quatman, 2024-03-21. This book explores the causes behind Trump's victory in the 2016 US presidential election and asks how a psychoanalytic understanding of the social unconscious can help us plot a new direction for the future in US politics and beyond. It first describes the social psychological threads that are the now of American culture. Seeds of hope are discovered through an in-depth examination of the American idea of excess as represented by Trump, its archetypal figure.
