scholarship that seeks to identify and solve community based problems Community engaged scholars aim to serve the public good by developing and sustaining community campus partnerships built on trust reciprocity and mutual benefit As universities orient themselves towards serving the public good they face a number of challenges faculty and students may not possess the competencies or commitment to build fruitful community partnerships graduate and undergraduate students may lack the necessary training and mentorship required to develop their identity as community engaged scholars and institutional leaders may not know how to motivate faculty and students for this ambitious and challenging endeavor Unless these challenges are addressed universities will fail to prepare the next generation of community engaged scholars Preparing Students for Community Engaged Scholarship in Higher Education is an essential research book that explores how faculty and academic leaders can create learning opportunities and intellectual cultures that support the development of community engaged scholars Additionally it will examine how university coursework can help undergraduate and graduate students to develop the knowledge skills and commitments necessary for productive and responsible community engaged scholarship Featuring a range of topics such as mentorship higher education and service learning this book is ideal for higher education faculty university leaders deans chairs educators administrators policymakers curriculum designers academicians researchers and students

How I Paid for College Marc Acito, 2004-09-07 A deliciously funny romp of a novel about one overly theatrical and sexually confused New Jersey teenager's larcenous quest for his acting school tuition It's 1983 in Wallingford New Jersey a sleepy bedroom community outside of Manhattan Seventeen year old Edward Zanni a feckless Ferris Bueller type is Peter Panning his way through a carefree summer of magic and mischief The fun comes to a halt however when Edward's father remarries and refuses to pay for Edward to study acting at Juilliard Edward's truly in a bind He's ineligible for scholarships because his father earns too much He's unable to contact his mother because she's somewhere in Peru trying to commune with Incan spirits And as a sure sign he's destined for a life in the arts Edward's incapable of holding down a job So he turns to his loyal but immoral misfit friends to help him steal the tuition money from his father all the while practicing for his high school performance of Grease Disguising themselves as nuns and priests they merrily scheme their way through embezzlement money laundering identity theft forgery and blackmail But along the way Edward also learns the value of friendship hard work and how you're not really a man until you can beat up your father metaphorically that is How I Paid for College is a farcical coming of age story that combines the first person tone of David Sedaris with the byzantine plot twists of Armistead Maupin It is a novel for anyone who has ever had a dream or a scheme and it marks the introduction to an original and audacious talent
