Personalauswahl international Anja Peitz, 2002 *The Internet and the College Campus* United States. Congress. House. Committee on Education and the Workforce. Subcommittee on 21st Century Competitiveness, 2006 *Rankings and the Reshaping of Higher Education* Ellen Hazelkorn, 2015-03-23 University rankings have gained popularity around the world and are now a significant factor shaping reputation This second edition updates Ellen Hazelkorn's first comprehensive study of rankings from a global perspective drawing in new original research and extensive analysis It is essential reading for policymakers managers and scholars **The New Global Universities** Bryan Penprase, Noah Pickus, 2023-12-05

Reimagining higher education around the world lessons from the creation of eight new colleges and universities in Africa Asia the Middle East and North America Higher education is perpetually in crisis buffeted by increasing costs and a perceived lack of return on investment campus culture that is criticized for stifling debate on controversial topics and a growing sense that the liberal arts are outmoded and irrelevant Some observers even put higher education on the brink of death The New Global Universities offers a counterargument telling the story of educational leaders who have chosen not to give up on higher education but to reimagine it The book chronicles the development and launch of eight innovative colleges and universities in Africa Asia the Middle East and North America describing the combination of intellectual courage entrepreneurial audacity and adaptive leadership needed to invent educational institutions today The authors both academic leaders who have been involved in launching ventures similar to the ones described offer a unique inside perspective on these efforts Bryan Penprase and Noah Pickus show how the founders of new colleges and universities establish distinctive brands in a sector dominated by centuries old institutions secure creative sources of funding attract stellar faculty and students and design appealing curriculums and campuses all while managing tradeoffs and setbacks balancing local needs and global aspirations and wrestling with challenges to academic freedom These new educational institutions include two universities in Asia and the Middle East built by well established American parent institutions others in Africa and North America that offer holistic reform from the ground up and leverage new technologies to lower costs and still others that adapted the American liberal arts model to Asian and African contexts Their experiences offer lessons for future founders of new universities and for those who want to renew and rejuvenate existing ones **University Corporate Social**

Responsibility and University Governance Deborah C. Poff, 2022-05-03 This book provides new and original research on the purpose and functions of universities from the perspective of corporate social responsibility It addresses professional ethics questions that relate to universities as corporate citizens Divided into two sections the book starts out with an examination of the concept of universities It explores the differences between historic and contemporary universities the history and nature of university governance the role of higher education and the problem of domination and subjugation in a management context The second section looks at the faculty the students and the role of spirituality in the university and

research It examines such themes as the nature of faculty and professors faculty as change agents diversity inclusivity and incivility academic integrity citizenship of students and ethical responsibility of researchers The book calls on the expertise from both the fields of business and professional ethics and university management and leadership It approaches the subject from an interdisciplinary perspective Complete Book of Colleges, 2005 Edition Princeton Review (Firm),2004-07-20 Up to date information on 1 780 colleges and universities **Cracking College Admissions** Princeton Review,2004 Presents a comprehensive guide to assisting with the college admissions process and includes information on choosing the right school creating schedules understanding tuition and financial aid and making a good first impression on the admissions committee
