Black Friday Today Returns:

Return to Hell's Corner E. Roy Hector, 2005-02 In the exciting fast paced Western adventure sequel to Escape from Hell's Corner crazed killer Amos Clarke aka Amos Watson will stop at nothing to avenge the death of his father Amos Watson's admiration for his father and almost worship of the blacksnake whip were all that remained from outlaw Watson Clarke's horrific reign of terror inflicted on the people of southwest Texas during Amos formative years During his youth Amos developed a seething rage and designed an insidious plan to avenge his father's death His hatred of those responsible for killing his father included three Darnel brothers two county sheriffs a Mexican Army captain and the leading citizens of Turtle Creek Amos avoided work and spent his youthful years committing crimes mostly petty thievery he felt capable of doing without having to pay the penalty Amos learned all his killer father's sly and cunning tricks and acquired his hedonic desire for feelings of satisfaction and pleasure while abusing women especially young girls He always brought home to his mother the money and other valuables he robbed Set in the picturesque Texas mountains Return to Hell's Corner combines danger romance bravery and good old fashioned western justice to provide an exhilarating ride through the lawless wasteland of the Old West

Wasted Byron Reese, Scott Hoffman, 2021-06-01 Wasted is a riveting exploration of the complicated and often surprising ways that waste occurs in our businesses our communities and our lives A smart unconventional book that takes readers far beyond what they think they know about a complex subject Kari Byron former cast member of MythBusters Waste We spend a great deal of energy trying to avoid it but once you train your eyes to look for it you'll see it all around you in your home your business and your everyday life In Wasted futurist Byron Reese and entrepreneur Scott Hoffman take readers on a fascinating journey through this modern world of waste drawing on science economics and human behavior to envision what a world with far less of it or none of it at all might look like Along the way they explore thought provoking issues such as why the United States got a higher proportion of its energy from renewable sources in 1950 than it does today whether the amount of gold in unused mobile phones can be extracted for profit how switching to water fountains on a single route from Singapore to Newark could prevent the use of 3 400 plastic bottles on each flight whether the amount of money you save buying goods in bulk is offset by the amount you lose when some spoil Ultimately the question of reducing waste is scientific philosophical and most of all complex According to Reese and Hoffman the rush toward simple answers has often led to well meaning efforts that cause more waste than they save The only way we can hope to make progress is to treat waste as the complicated issue it is While the authors don't promise easy answers in this compelling book they take an important step toward solutions by examining the questions at play giving actionable steps and ensuring that you'll never see the world of waste the same way again **Be There When I Return** Michael

King, 2025-10-01 For fans of rags to riches stories Be There When I Return is not just about overcoming epilepsy and finding success it is also for those who are looking for a celebration of love in its purest form When thirty one year old Michael starts

to act out of character it gets the attention of his roommate and a woman he has started dating After denying anything is wrong with him Michael finally decides to visit a neurologist His life takes an unexpected turn when he receives a life altering diagnosis of epilepsy What follows is a five year saga of navigating the unpredictable terrain of seizures and the relentless pursuit of control During this time he finds a lifeline in the unwavering support of a new love This powerful bond fuels his resilience and determination to reclaim his life At thirty seven Michael takes a daring leap to undergo surgery the first of its kind at the hospital The procedure s success sparks a profound transformation in his life Just nine months later a chance encounter with an old friend opens the door to an unexpected career in Silicon Valley Leaving behind his bartending job in LA Michael dives headfirst into the tech recruiting world where he builds a career against all odds Be There When I Return is a testament to courage love and the pursuit of dreams It celebrates second chances and the triumph over life s greatest challenges Michael s journey will inspire you to believe in the impossible and seize the moments that can change everything

Risk, Return, and the Indigo Autumn Tim McGhee,2007-06-01 In these the go go days of August 1987 everyone is in the money and damned happy about it Except Mason Bricker He s a thirtysomething stockbroker with a bad attitude not willing or able to be a good yuppie and celebrate the good times Stocks have been hitting new highs so Mason in an iconoclastic fit announces his intention to short the Dow Jones Industrial Average setting himself up to profit as the market falls from the precipice on which he says it perches Read Risk Return and the Indigo Autumn to find out how it turns out for Mason

Sustainable Marketing Paul Randle,Alexis Eyre,2023-12-03 SHORTLISTED Business Book Awards 2024 Sales Marketing Becoming a sustainable marketer is no longer an optional extra Sustainability has become a necessity for the future but do you feel confident delivering on this for your clients and customers Sustainable Marketing is a blueprint for embedding sustainability at the heart of marketing Exposing the disturbing reality of marketing s current relationship with many of our environmental and societal problems it challenges the traditional role of marketing its cultural norms and gross inefficiency It goes on to present a compelling vision for change and a practical guide for marketing professionals equipping them with the mindset and tools to transform their daily work and the industry as a whole into a force for good This is the perfect guide for marketing and sustainability professionals working through their company s sustainable transformation whilst trying to avoid the pitfalls of greenwashing and carbon myopia Written by experts who apply their unique framework to the issue this book takes what may feel like an insurmountable challenge and breaks it down giving in depth advice and providing real world success stories from companies of all sizes including Tony s Chocolonely The Onlil and AkzoNobel
