What's Luck Got to Do with Emma Lenford? Kari Lynn M.,2024-06-01 Some people just don't know how lucky they are Including Emma Lenford who's just lucky enough to vomit on international television win a trip to Wisconsin's worst kept vacation hotspot and even find out that she's related to some very infamous faces Despite her newfound luck Emma struggles to find a way to gain control of her life She's fully convinced that she's been somehow cursed and she has to figure out how stop the tragedies that keep befalling her before they get a little too out of control Although once you've been trapped and tortured via the ultimate atomic wedgie in a goat barn decorated with severed human body parts maybe things have already gotten too far out of your control Emma Lenford is truly the unluckiest 17 year old on the planet She keeps her sense of humor though through this series of seriously ill fated situations Her life is basically a sit com where one traumatic thing after another befalls her and it's all out of her control She's constantly kidnapped held at gunpoint and even arrested for things she honestly didn't even do Follow her as every supposedly lucky adventure turns south in the fourth book of the series that makes us all wonder what's luck got to do with Emma Lenford Criminal Victimization in the United States, 1973-78 Trends Richard W. Dodge,United States. Bureau of Justice Statistics,1980 **Criminal Victimization in the United States** United States. Bureau of Justice Statistics,1991 Handbook of Research on User Interface Design and Evaluation for Mobile Technology Lumsden, Joanna,2008-02-28 This book compiles authoritative research from scholars worldwide covering the issues surrounding the influx of information technology to the office environment from choice and effective use of technologies to necessary participants in the virtual workplace Provided by publisher *Correctional Populations in the United States* ,1991 **The Field Agent** R. S. Twells,2021-08-27 Recruited as babies by a mysterious organization known as the Orphanage sixteen year old twin brothers Bennet and Collin mean the world to each other even though they're complete opposites Collin is training to be a field agent while Bennet is an earpiece in constant communication with his brother monitoring his activities and providing computer support from a safe distance When a mission goes horribly wrong Bennet is left bereft missing his other half Already introverted he retreats into himself In his final statement Collin urged him to leave the Orphanage but it's the only home he's ever known Instead he makes a drastic decision he'll fill the Collin sized hole in his heart by rejecting his computer focused career path trying instead to match Collin's physical prowess so he can become a field agent like him Training with Collin's old girlfriend Darcy a skilled assassin Bennet tries to prove he can be just as skillful with his fists and a gun as at the keyboard in the face of skepticism from the Orphanage and all of his classmates As he struggles to succeed Bennet must question how much he has hurt those around him and how much more important it is to be himself than just a copy of his brother When his class is given its final assignment both his new skills as a field agent and his old skills as an earpiece are put to the ultimate test Failure could prove fatal not only to himself but to his fellow agents in training the only family he has left And as if that weren't enough the
