Killing Me Softly Roberta Flack,1975 **The Year of My Death** Kenny Felder,2003-10 Mark Brown a business executive had a vivid dream he would live until the year 2038 Months later a horrific plane crash occurs Just before the crash Mark grabs the arm of the passenger next to him Howard Bowman and tells him to hold on because he is going to live until the year 2038 At the hospital Mark and Howard are told they are the only ones to survive Lauren Rifkin a tabloid investigator finds out about Mark s dream and what he said to Howard before the crash She and her Chief Editor Weaver convince Mark they can make him a major personality if they promote his dream as a premonition The plan works but the price of fame and fortune turns out to be higher than Mark anticipated There are some who will benefit if they can cause him to have another near death experience and others who want to challenge his so called premonition by killing him before the year 2038 The Year of My Death is a thriller but what lies beneath is the opportunity for hope *Chemical News* ,1864 Used, Abused, and Sidelined Mary E. Stuckey,2025-08-19 Since it was published in 1776 the Declaration of Independence has been used to advocate for social justice and to maintain inequitable social hierarchies it has served as a model for justifying revolutions in other nations and for the Confederacy s secession from the US federal government But as we approach its 250th anniversary this book asks Does the Declaration still matter In this volume leading scholars explore how this remarkably pliable document has been used for progressive and regressive politics alike and track its impact on independence movements across the globe The essays begin with the Declaration s immediate reception and masculine style of prose and then move on to its central role in interpreting civic action between state and federal governments most notably secession in the Antebellum era questions of sovereignty between Indigenous nations in the United States and the United States relationship with Latin America The next section focuses on the ways the Declaration was called upon to urge imperative moral action especially in terms of human rights in the US Civil Rights Movement and the Velvet Revolution in Czechoslovakia and in contrast how it was cast aside in the Syrian Revolution The final section teases out the tension between the needs reflected in the original document and the needs of the contemporary political world Used Abused and Sidelined demonstrates how this foundational document prepares us to tolerate and to resist and it points to how we might leverage the Declaration to create a different kind of political future *Chemical News and Journal of Industrial Science* ,1864 *The Chemical News and Journal of Industrial Science* ,1864 **Keep the Happy in Your Holidays** Cherie Lowe,2014-11-01 The most wonderful
