Pumpkin Spice Prices:

The Spell's Price Jade Alters, 2019-07-26 Hope's life in Foggy River has always been ordinary until she interrupts a dark wizard in the woods performing a ritual that pulls her deep into a world of forbidden magic and danger. Desperate and fleeing for her life, she takes refuge in the mansion of four enigmatic wizards who each awaken feelings within her that are as magical as they are terrifying. Jared, Freddie, Max, and Dylan are unlike anyone she's ever met. Each wizard seems to hold a piece of her heart, but Hope's insecurities haunt her, driving her to cast a risky spell that goes horribly wrong, scarring her in ways that she can't hide. The closer she grows to these men, the more she's convinced that the spell's disaster has ruined her last chance at love. But a dark, familiar presence lingers, offering Hope salvation at a dangerous price. Will she find a way to accept the love she's been shown, or will she stand in her own way?

Holy Grounds Tim Schenck, 2019-04-02 If you're religious about your coffee you're in holy company If you like your coffee with a bit of

inspiration a hint of humor and a dose of insight you'll enjoy pouring a mug full of java and curling up with *Holy Grounds*. Popular author and avid coffee drinker Tim Schenck brews just the right blend of the personal and historical as he explores the sometimes amusing and often profound intersection between faith and coffee. From the coffee bean's discovery by ninth-century Ethiopian Muslims to being condemned as Satan's drink by medieval Christians to becoming an integral part of Passover in America, coffee has fueled prayer and shaped religious culture for generations. In *Holy Grounds*, Schenck explores the relationship between coffee and religion, moving from faith-based legends that have become entwined with the history of coffee to personal narrative. He takes readers on a journey through coffee farms in Central America, a pilgrimage to Seattle coffeehouses in Rome, and a monastic community in Pennsylvania. Along the way, he examines the power of ritual, mocks bad church coffee, introduces readers to the patron saint of coffee, wonders about ethical considerations for today's faith-based coffee lovers, and explores lessons people of faith should learn from coffeehouse culture about building healthy, authentic community.
