Islamic ity platforms and their debates **Anti-Americanisms in World Politics** Peter J. Katzenstein, Robert O.

Keohane, 2011-06-15 Anti Americanism has been the subject of much commentary but little serious research In response Peter J Katzenstein and Robert O Keohane have assembled a distinguished group of experts including historians polling data analysts political scientists anthropologists and sociologists to explore anti Americanism in depth using both qualitative and quantitative methods The result is a book that probes deeply a central aspect of world politics that is frequently noted yet rarely understood Katzenstein and Keohane identify several quite different anti Americanisms liberal social sovereign nationalist and radical Some forms of anti Americanism respond merely to what the United States does and could change when U S policies change Other forms are reactions to what the United States is and involve greater bias and distrust The complexity of anti Americanism they argue reflects the cultural and political complexities of American society The analysis in this book leads to a surprising discovery there are as many ways to be anti American as there are ways to be American

Hollywood and the Great Depression Iwan Morgan, 2016-10-31 Examines how Hollywood responded to and reflected the political and social changes that America experienced during the 1930s In the popular imagination 1930s Hollywood was a dream factory producing escapist movies to distract the American people from the greatest economic crisis in their nations history But while many films of the period conform to this stereotype there were a significant number that promoted a message either explicitly or implicitly in support of the political social and economic change broadly associated with President Franklin D Roosevelt's New Deal programme At the same time Hollywood was in the forefront of challenging traditional gender roles both in terms of movie representations of women and the role of women within the studio system

With case studies of actors like Shirley Temple Cary Grant and Fred Astaire as well as a selection of films that reflect politics and society in the Depression decade this fascinating book examines how the challenges of the Great Depression impacted on Hollywood and how it responded to them Topics covered include How Hollywood offered positive representations of working women Congressional investigations of big studio monopolization over movie distribution How three different types of musical genres related in different ways to the Great Depression the Warner Bros Great Depression Musicals of 1933 the Astaire Rogers movies and the MGM akids musicals of the late 1930s The problems of independent production exemplified in King Vidor's Our Daily Bread Cary Grant's success in developing a debonair screen persona amid Depression conditions Contributors Harvey G Cohen King's College London Philip John Davies British Library David Eldridge University of Hull Peter William Evans Queen Mary University of London Mark Glancy Queen Mary University of London Ina Rae Hark University of South Carolina Iwan Morgan University College London Brian Neve University of Bath Ian Scott University of Manchester Anna Siomopoulos Bentley University J E Smyth University of Warwick Melvyn Stokes University College London Mark Wheeler London Metropolitan University Focus On: 100 Most Popular Films Based on British Novels Wikipedia contributors,
