are some wounds time can't heal and some fears too consuming to conquer Jackson Montgomery's life revolves around his daughter and job. He's no stranger to saving a damsel in distress and though his gorgeous new neighbour is clearly in distress, she's no damsel. Morgan Bartley is stubborn as hell with walls a mile thick and the dog tags hanging from her rearview mirror give him a pretty good clue as to why. It doesn't matter that their attraction is undeniable; she swore she'd never fall for another pilot, let alone a military man. She's a barely breathing heartbreak on the edge of recovery. He's a crash waiting to happen. Together they could have it all if they can endure the coming storm. Why do readers love the Flight Glory series? This is one of those series that I think keeps getting better with every book. Rebecca Yarros: How dare you! I sobbed. Screamed. Laughed. So many emotions. Went into this fully knowing my heart would be in pieces and it was worth it. By far one of my favorites of Rebecca's. I was giggling and kicking my feet the whole time. Rebecca Yarros is possibly my new go-to author. I feel complete after this book. A fast-paced read with twists you won't appreciate until the final reveal. Exceptional writing and a beautiful storyline. Damn, Rebecca Yarros did it again. How does she draw you in and make you feel so deeply for these characters? This series broke my heart and healed it all the same. I am so obsessed with this entire series. There are five heart-stopping books in the Flight Glory series to become obsessed with. Don't miss out. FULL MEASURES, EYES TURNED SKYWARD, BEYOND WHAT IS GIVEN, HALLOWED GROUND, THE REALITY OF EVERYTHING. *A Year of Programs for Teens* Amy Alessio, Kimberly A. Patton, 2007. Offers a collection of activities for every month of the year including a photography contest and a Love Stinks Chocolate Fest for February. *The Art of Life Admin* Elizabeth Emens, 2019-01-03. This book will give you many hours of your life back. Timely and necessary, a must-read. Cal Newport, author of *Digital Minimalism*. Every day, an unseen form of labour creeps into our lives, stealing precious moments of free time, placing a strain on our schedules and relationships, and earning neither appreciation nor compensation in return. Scheduling, doctor's appointments, planning a party, buying a present, filling out paperwork. This labour is life admin: the kind of secretarial and managerial work necessary to run a life and a household. Elizabeth Emens was a working mother with two young children swamped like so many of us when she realised that life admin was consuming her. Desperate to survive and to help others along the way, she gathered favourite tips and tricks, admin confessions, and the secrets of admin happy households. Drawing on her research and writing in a wholly original manner, Emens shows how this form of labour is created and how it affects our lives, how we might reduce, redistribute, and even prevent it, what admin personalities we might have, and how to deal with admin in relationships. *The Art of Life Admin* is the book that will teach us all how to do less of it and to do it better. Reading *The Art of Life Admin* is like sitting down with a friend who knows exactly how it feels to be drowning in your To Do list and throws you a very welcome lifeline to help you to make your way out. Brigid Schulte, author of the New York Times bestseller *Overwhelmed*. Every so often you come across a book that really does profoundly change how you see the world. This is just such a book; it will, by force of its own genius, reprogram your life and give you new tools for seeing things as they actually are.

Tim Wu author of *The Attention Merchants* Emens maps the political psychological and practical landscape of admin hell with humour and hopefulness This intelligent witty book will shed new light on everyone's to do list Dr Clare Carlisle Tresch King's College London From Ideas to Try

- 1 Find ways to make things end For instance try writing No Need to Reply NNR on texts and emails Save others time they might even return the favour
- 2 Start bypassing the to do list when you face real time admin requests Email someone the information she wants while she's still standing there so it never goes on your to do list
- 3 Spend your Admin Savings Time well If you save yourself an hour spend that hour doing something you really want or need for yourself
