

Thank you for your reply. I really appreciate the points you mentioned about our service, logistic issue and product.

However, there is two points I'd like to clarify:

1. It's not true that the warranty claim requires keeping the packaging, in the event of missing the packing materials, we will send you the suitable box for warranty return. Could you show me the link that reflects this issue?

2. August, September and October are the peak months of email requests for us, combined with our email system adjustment(overall), leading to the long response time to your email. We are back in the right track now so be assured that that issue won't happen any more.

Best regards,

Qing
