Delivered from Deception Rand Burkey, 2011-07-27 Why would a quiet Midwestern couple resort to hiring a team of people to kidnap and deprogram their oldest son from a group that seemed to teach high moral values What signs did they see that caused them to take such actions How could a person who was raised in a Christian home fall for a group that had at its core bizarre and dangerous beliefs How is it that a seemingly normal young adult could buy into the idea that this group had the only truth and would do anything to protect it Alarming in its content and frightening in its suggestion that anyone could be swayed to believe and defend to the death the ultimate truth Delivered from Deception is the unvarnished look at how someone could be manipulated to be a terrorist for his or her beliefs and how the truth will set men and women free
