PRACTICAL MONEY ADVICE FOR YOUNG MEN 2.0 Malik McCotter-Jordan, 2021-12-25 I am not suggesting that you fire your boss i.e. quit your job. In fact I advise you to keep your job. In this book I have a job that's called having more than one stream of income and I talk about that in this book. This is definitely not a BS Tony Robbins personal finance book with over 680 pages about compound interest him shamelessly promoting financial firms that he has an ownership stake in and saving 10% to 20% of your income. This is a raw and real book written by a guy who is only a few steps ahead of you. That's it. I am not a guru. This is not a scam. I put my heart and soul into making this. I wrote this book as if it was for the 18-year-old me. Anyone who leaves a review saying that this book lacks realistic actionable advice is just plain wrong. I even did what most of these personal finance authors don't have the guts to do. I talk about my personal life and the mistakes I made that cost me thousands of dollars. That's why this genre is called personal finance. Right. I get really personal. Some might say it's too personal. If you're a young man who is tired of being broke living paycheck to paycheck not owning any assets being clueless about taxes and not being able to get ahead in the United States then this is the book for you. I started off as a poor black boy in a small town in Alabama on section 8. I currently have a 6-figure net worth. If I can do it you can too. Buy this book today.

Friction Is Fiction: the Future of Content, Media and Business (Black and White Edition) Gerd Leonhard, 2010-05-06 Futurist and Thought Leader Gerd Leonhard www.mediafuturist.com shares his thoughts on the Future of Content Media and Business. Friction is Fiction presents a constantly updated compilation of Gerd's best essays, writings and most popular blog posts. The central theme is that the Internet has completely disrupted the traditional notion of generating higher income by simply taking advantage of possible friction points and hurdles within transactions or business processes i.e. by controlling the people formerly known as consumers. The Future is all about winning the trust and turning attention into revenues. This is the low cost black and white version of the book. If you want the full color version please go to <http://gerd.fm/cmrfB1> [Roots and Rhythm](#) Charlie Peacock, 2025-02-04 A beautifully crafted memoir unveiling the ancestral musical and spiritual roots of Grammy Award winning music producer Charlie Peacock. In this artful memoir Grammy Award winning music producer Charlie Peacock flexes his literary chops and gives readers the gritty backstage stories they crave, biographical anecdotes, geeky trivia and how the hits were written and recorded from jazz to rock and pop. Threaded throughout is Peacock's unique ancestral and spiritual story. The roots. Like Coltrane, Dylan and Bono before him, Peacock reveals a Christ affection while refusing genres too small for his music. Peacock, the great grandson of a Louisiana fiddler, is an American musical polymath. He's been the young jazz musician sitting at the feet of trumpeter Eddie Henderson and pianist Herbie Hancock, the singer-songwriter plucked from the Northern California punk pop underground by legendary impresarios Bill Graham and Chris Blackwell, a pioneering innovative contributor to the nascent rise of gospel rock in the 1980s and the genre-busting producer behind such diverse artists as Al Green, Ladysmith Black Mambazo, Chris Cornell, Audio Adrenaline, The Civil Wars, Switchfoot.

Turtle Island Quartet and John Patitucci Roots and Rhythm includes Peacock's seminal NorCal days the story of indie labels Exit and re think his first decade as a Nashville producer 1989 1999 and his essential role in the 21st century folk Americana boom The Civil Wars Holly Williams The Lone Bellow While his exploits and achievements grace the book including the story of Amy Grant's Every Heartbeat and the evergreen In the Light Peacock is hardly the only character Instead he writes as a Joan Didion style essayist weaving together a quintessential American story Beat poet Gary Snyder evangelist Billy Graham producer T Bone Burnett saxophonist Wayne Shorter and writers Wendell Berry and Isabel Wilkerson all appear in this sweeping tale where ancestry migration teenage love Jesus and Miles Davis collide The book is an invitation to all including aspiring musicians embrace the roots and rhythm of our own lives letting the music and God's insistent love lead us to gratitude and wonder
