The Day I (Almost) Killed Two Gretzkys James Duthie, 2010-08-17 Praise for James Duthie's The Day I Almost Killed Two Gretzkys I

was lucky to survive the day Duthie played in my golf tournament Little did I know he'd turn the experience into one of the best books on sports that I've read in a long time Wayne Gretzky Tragedy is easy Comedy is hard Sports comedy is even harder but James Duthie who we now know is as comfortable in front of a keyboard as he is a camera treads whimsically through a sports landscape that certainly needs a smile His is a biting wit guaranteed to leave teeth marks Michael Farber Sports Illustrated If you like James Duthie on TSN you're in for a treat He's just as clever and witty in print James is simply a great storyteller whose creative style will make you smile over and over Dave Naylor The Globe and Mail The Quiz sucks but Duthie's book is fantastic He is one warped writer but genius John Tortorella New York Rangers coach Duthie writes the way I played With an edge but never forgetting the game is supposed to be fun This book is a ton of fun Jeremy Roenick former NHL star This guy does it all he writes as well as he does television That same somewhat aberrant sense of humour leaps off the pages Sports fans will love this book Brian Burke Toronto Maple Leafs GM I don't have kids nor can I legally admit to owning a monkey but I do love hockey and Duthie manages to make them all work together He effortlessly modernizes sports writing while respectfully tipping his hat to the old school George Stroumboulopoulos Hockey Fan and Host of CBC's George Stroumboulopoulos Tonight So what's this book about Well This book is about hockey And golf And the Olympic Games And being a broadcaster a sports fan a father husband and son And having an unhealthy fascination with Anna Kournikova It's a collection of things that marched through James Duthie's head over the years and spilled out into his weekly columns selected collected and randomized for your reading pleasure It's also educational You'll learn about Sidney Crosby's secrets Where you rank on The Jeter Meter of male success Why hockey's loser point has to go The best four legged athlete ever What the clichés that come out of athletes' mouths really mean What it's like to be upstaged by a monkey And yes how Duthie almost killed two Gretzkys on the same day James Duthie has been writing columns about hockey sport in general and his

own twisted view of the world for over a decade This book is the first and only collection of some of his most popular and controversial columns with several brand new previously unpublished pieces In *The Day I Almost Killed Two Gretzkys* he brings his famous sense of humour deep hockey knowledge and his passion for sports of all kinds to fans and readers everywhere no matter what team you cheer for Often hilarious sometimes insightful occasionally touching and always passionate Duthie's off kilter view of sports and life shows how the spirit of sport unites us all **Push Guide to Which University** Johnny Rich,2004-08 This popular guide has been fully updated and redesigned to reflect exactly what today's students want to know It is the most accessible guide to higher education and student life in the UK and provides reliable lively and unbiased information on what universities really offer The establishments are listed alphabetically with each entry providing a wealth of information from a description of the campuses to famous alumni A separate section supplies a list of courses and which universities offer them making it easy for the reader to cross reference their chosen course with the right university **The Virgin Guide to British Universities 2012** Piers Dudgeon,2012-06-30 The Virgin 2012 Guide to British Universities is the only university guide to offer a uniquely students eye view of what it's like to study at a particular university As well as hard facts and practical information on every UK university such as official ratings for teaching statistics on where graduates end up and employment prospects by subject the guide is also packed with useful information such as what the social scene is like how much living costs are likely to be and what the student profile at a particular university is really like With a comprehensive entry on every UK university The Virgin Guide to British Universities contains all the information and advice potential undergraduates will need to choose the best university for them **Power and Betrayal in the Canadian Media** David Taras,2001-02-01 The Canadian media system which in many respects is this society's meeting ground its public square is in the midst of a profound shift away from the foundations on which it has rested comfortably for decades The publicly financed Canadian Broadcasting Corporation long the backbone of the broadcasting system is threatened by budget cuts and by technological change The newspaper industry has fallen into the hands of a few powerful individuals Huge global corporations and a vast communications revolution are dramatically altering the nature of news and entertainment This book argues that unless action is taken these changes will narrow our access to the information we need as citizens and damage our capacity to communicate with each other and reflect on ourselves as a community **Power and Betrayal in the Canadian Media** is a sweeping exploration of the Canadian media system and the impact it has on Canadian society politics and culture **Insiders' Guide® to Philadelphia** Mary Mihaly,2025-08-05 From the Betsy Ross House to the Liberty Bell to Ghost Tours and Elfreth's Alley discover all that Philadelphia has to offer Written by local expert Mary Mihaly *Insiders Guide to Philadelphia* is the essential source on the city of brotherly love Written for locals and travelers alike this comprehensive guide covers in depth travel information and tips relocation advice and much more The newly researched revised and up to date edition features Comprehensive listings of notable cuisine memorable
