The Ultimate History of Video Games, Volume 2 Steven L. Kent, 2021-08-24 The definitive behind the scenes history of video games explosion into the twenty first century and the war for industry power A zippy read through a truly deep research job You won t want to put this one down Eddie Adlum publisher RePlay Magazine As video games evolve only the fittest companies survive Making a blockbuster once cost millions of dollars now it can cost hundreds of millions but with a 160 billion market worldwide the biggest players are willing to bet the bank Steven L Kent has been playing video games since Pong and writing about the industry since the Nintendo Entertainment System In volume 1 of *The Ultimate History of Video Games* he chronicled the industry s first thirty years In volume 2 he narrates gaming s entrance into the twenty first century as Nintendo Sega Sony and Microsoft battle to capture the global market The home console boom of the 90s turned hobby companies like Nintendo and Sega into Hollywood studio sized business titans But by the end of the decade they would face new more powerful competitors In boardrooms on both sides of the Pacific engineers and executives began with enormous budgets and total secrecy to plan the next evolution of home consoles The PlayStation 2 Nintendo GameCube and Sega Dreamcast all made radically different bets on what gamers would want And then to the shock of the world Bill Gates announced the development of the one console to beat them all even if Microsoft had to burn a few billion dollars to do it In this book you will learn about the cutthroat environment at Microsoft as rival teams created console systems the day the

head of Sega of America told the creator of Sonic the Hedgehog to f k off how lateral thinking with withered technology put Nintendo back on top and much more Gripping and comprehensive The Ultimate History of Video Games Volume 2 explores the origins of modern consoles and of the franchises from Grand Theft Auto and Halo to Call of Duty and Guitar Hero that would define gaming in the new millennium *Veni, Vidi, Video* Frederick Wasser,2009-06-23 A funny thing happened on the way to the movies Instead of heading downtown to a first run movie palace or even to a suburban multiplex with the latest high tech projection capabilities many people s first stop is now the neighborhood video store Indeed video rentals and sales today generate more income than either theatrical releases or television reruns of movies This pathfinding book chronicles the rise of home video as a mass medium and the sweeping changes it has caused throughout the film industry since the mid 1970s Frederick Wasser discusses Hollywood s initial hostility to home video which studio heads feared would lead to piracy and declining revenues and shows how paradoxically video revitalized the film industry with huge infusions of cash that financed blockbuster movies and massive marketing campaigns to promote them He also tracks the fallout from the video revolution in everything from changes in film production values to accommodate the small screen to the rise of media conglomerates and the loss of the diversity once provided by smaller studios and independent distributors Contemporary US Cinema Michael Allen,2014-09-25 Contemporary U S Cinema is a forceful exploration of the tumultuous changes that have dominated the shifting landscape of American film making over the past three decades From the explosive release of Easy Rider to the excesses of Heaven s Gate and the comic book figures of Spider Man its aim is to examine the economic social and cultural contexts of mainstream and independent American films The book divides into nine provocative chapters with material on the most significant individual film makers such as Scorsese Coppola and Lucas as well as independent film makers like Jarmusch and Anders the careers of leading actors of the last thirty years such as Jack Nicholson Robert Redford and Julia Roberts whilst exploring the powerful position of the film star in the modern American film making process the economics of Contemporary U S Cinema with particular reference to the tortuous journey from production distribution and exhibition of Waterworld and Titanic the artistic influence of foreign film makers such as Fran ois Truffaut and Jean Luc Godard and explores Hollywood s increasing dominance and reliance on the global market genres sequels and the recent developments in computer based technologies using examples from The Godfather I III The Matrix the Star Wars saga and remakes from Shaft to Ocean s Eleven The book is illustrated with stills throughout and includes a bibliography and annotated further reading list The Germanic Heroic Tradition in Video Games Enrique Torres-Hergueta,2025-10-03 This monograph examines the appropriation and ludification of the Germanic heroic tradition in video games as a digital medium a process that unfolds on the margins of official discourse about the early Middle Ages The project analyzes the adaptation of medieval material to the video game format through the use of Germanic epic motifs such as the configuration of the hero his conflict with the antagonist and the pursuit of fame and wealth derived from the medieval written sources that inspire them

Using narratology the author evaluates the remediation of these narratives in video games as a playful digital and immersive experience
