My interest in joining your organization is sparked by its standing for superior scientific achievement. Working alongside other professionals who are committed to quality and who are driven to their profession would be enjoyable for me. I would also relish the opportunity to learn further about science and how it operates. I would contribute significantly to your team.

I would be delighted to discuss further with you in the weeks to come about the position in your esteemed organization. Should you be requiring any additional information, I would be pleased to share it. Please feel free to contact me. I Appreciate your while and thought in this regard.
