Autobiography Sol LeWitt 1980 Sol LeWitt,1980 When published Autobiography was one of LeWitt s eighteen artist books and one of six photography books These books are no less profound than Autobiography but Autobiography is a more complex ambitious and in some respects intimate project In Autobiography LeWitt presents more than a thousand black and white images in grids generally nine to a page The artist catalogues virtually every corner crevice and item in his loft We see an aggregate of unposed images the bare facts of his everyday existence We investigate each image but the significance of this autobiography derives from the connection between images on a page on a spread and from page to page as much as from any individual picture LeWitt s artist books situate themselves among dozens of the artist s structures wall drawings drawings and prints For LeWitt none of these works or media occupies a privileged position Each work is a part of a chain of artistic production Every work is part of a nonhierarchical whole Thus contradictorily LeWitt s Autobiography purports to be just another work yet its special

significance is undeniable In Autobiography Lewitt presents the life of the artist as the life of a particular person in a particular culture at a particular time and place Nevertheless Autobiography is unique in his oeuvre For LeWitt whose drawings wall drawings and structures are seemingly so pure and pared down Autobiography is an unparalleled work While it takes its place as one work among equals it is singular in its demonstration that LeWitt's abstract geometric forms are inextricable from the experience of his life and culture from Adam Weinberg's LeWitt's Autobiography Inventory to the Present *Brünner Zeitung der k.k. priv. mährischen Lehenbank* Joseph Cölestin Lauer, 1878 **Profil**, 2003 Popular Science, 1959 *Population Index*, 1988 Annotated bibliography covering books journal articles working papers and other material on topics in population and demography **Verhandlungen des Deutschen Bundestages** Germany.
