Evolution of a Mechanic Ralph J. Martin, 2021-06-02 Like all technology in the late twentieth early twenty first century automobiles are not exempt from the fast paced evolution the telegram system has been replaced with the cellphone The evening news on the television has been replaced with instantly updated news on the internet The horse and carriage have been replaced with the self driving automobile This is one person s forty year experience in that transition The fellow mechanics will get a good laugh knowing you are not alone The everyday automobile driver should read this to possibly get a better insight to what goes on in today s vehicle and the poor individual trying to repair it **International Directory of**
