Life Goes Both Ways Willy Vil, 2024-08-05 The story Life Goes Both Ways is a true story that is about a twenty year old who just finished high school from abroad and moved to the USA without his mom dad and friends Due to the speech impediment life was too difficult for him When he left he made lots of commitments to his family In the start he felt that everything was going to be easy to the point where he was going to maintain a reasonable life right away Shortly he discovered that things didn't work like that in the United States of America Some types of items ought to be done sooner before you could get yourself situated At foremost he was living with his brother J but things didn't work out nicely between the two of them In a brief time in the country he was out of his brother's home with no place to stay Luckily an elder companion of his promised him to stay in his place until he gets his life in order Therefore he jumped back and forth from position to position until he chose to go to school to construct some modifications in his life He attempted to go to school but it didn't work out for him It wasn't until he met a professor who used to teach French at a university in Paris who showed him some methods about how to write essays in the English language Ever since

he observed he was doing very well in school He managed to get his associates in business entrepreneurship but then quit going to college After a few years he met his wife and they had three boys together and bought a house Due to union obligations and taking care of the children he couldn't afford to go back to school His life was focused on the children's education and work After the children graduated from college and had successful careers he decided to go back to school to finish what he started After fifty plus years during COVID time he went back to school and managed to graduate with honors He went to Purdue University Global where he got himself a degree in business administration He was an exceptional student too Information in the book showcased that life went both ways At certain times in life there would be no way out other times things would be floating smoothly At first the future didn't appear very good for the young man in this country With hard work commitment and the support of a few good people he managed to adjust certain things and at last create an exorbitant life for himself Things were challenging at the beginning but he turned a bunch of negative stuff into positive ones Nevertheless I think that we need good tutors to teach us about the facts of life In that case our parents are the ideal ones After all I believe very strongly that we should listen to our mom and dad more often because their words contain valuable lessons to teach us

Karina May, author of *Duck 1 Orange for Breakfast*. **Gravity Let Me Go** Trent Dalton, 2025-09-30 Trent Dalton, Australia's 1 bestselling author, returns with the astonishing *Gravity Let Me Go*, a story you won't ever forget. How will you ever know how the story ends if you let the story go? Noah Cork has just published the scoop of a lifetime: a white-hot true crime book about the cold-blooded killer who slipped an unfolding murder mystery into his mailbox. But if this is his moment of triumph, then why is the tin roof being ripped from the walls of his reality? Why are skeletons standing upright in his closet? Why do people want to run him over in the street? And why does his wife keep writing a cryptic message across the bathroom mirror? As a severe storm heads towards Brisbane, Noah is hurtling headfirst into a swirling storm of secrets. He must now cling for dear life to the only story that ever really mattered. He must hold on to the truth. He must hold on to the story. He must hold on to love. Dark, gritty, hilarious, and unexpected, *Gravity Let Me Go* is Trent Dalton's deeply personal exploration of marriage and ambition, truth-telling and truth-omitting, self-deception and self-preservation. It's a novel about the stories we want to tell the world and those we shouldn't, and how the stories we keep locked away are so often the stories that come to define us. It's the story of a murder. It's the story of a marriage. It's the story of a lifetime. *Gravity Let Me Go* draws readers deep into a raw and chaotic world that is both unsettling and compelling. His signature mix of grit, heart, and unexpected turns keeps the narrative gripping with twists readers won't see coming. Ultimately, fans of Dalton's previous novels will find *Gravity Let Me Go* impossible to put down.
