Turn interest into deposits, waitlists, and paid commitments. Launch with momentum instead of anxiety. Whether you're selling a digital product, course, service, or physical offer, this book gives you repeatable frameworks that work across industries and audiences. Because getting paid before you launch doesn't just de-risk your business, it guarantees you're building something people already want.

You'll master pre-sale strategies that validate your idea and fund its creation. Inside, you'll find practical blueprints for email pre-launches, waitlists that convert, value-first messaging, and urgency-driven presales.
