Nhl Opening Night Deal Setup:

Hockey Tonk Craig Leipold,2008-07-13 Hard hitting nonstop action and that s just what happens off the ice Hockey is the fastest of all team sports an emotional exhilarating and highly entertaining blend of speed finesse intensity and bone crunching physical impact And the NHL s Nashville Predators are in every respect a team to watch But the story leading up to and through the Predators triumphant first season is every bit as exciting as the game itself Hockey Tonk tells of one man s dream of bringing a pro team to a city best known for its music industry The journey from that dream to its fulfillment in an arena filled with 17 000 screaming fans is a story of vision passion hard work perseverance and commitment to long term success It s a story of teamwork and hard nosed competition both on and off the ice Just a few short years ago the majority of Nashville Tennessee didn t know the difference between a blue line and a line dance But now Music City has become a pro sports town thanks to a fiercely competitive hockey team its business and community minded front office and fan support that according to USA Today is second to none *Professional Hockey in Philadelphia* Alan Bass,2020-09-09 Philadelphia has been a hockey town since 1897 Before and even during the Philadelphia Flyers tenure other teams the Ramblers the Quakers and the Firebirds among others called the city home for better or for worse The first of its kind this comprehensive history covers the teams and players that graced the ice from the turn of the 20th century through the 2009 demise of the Philadelphia Phantoms Offering something for every Philly hockey fan the author tells the stories of the 10 pro teams that played the world s fastest game in the City of Brotherly Love **A Book Sale How-To Guide** Pat Ditzler,JoAnn Dumas,2012-02-17 The authors provide a tested and successful formula for making money for local libraries in a practical and fun way a library book sale *Guardians of the Goal* George Grimm,2019-10-01 A history of Rangers goalies through the ages New York Rangers fans have always loved their goaltenders and throughout their history the Blueshirts have been blessed with some of the very best in the game Through the first nine plus decades of their existence eighty eight men from Canada the United States and Europe have toiled between the pipes at Madison Square Garden They all shared the same responsibility yet each brought their own style personality character and idiosyncrasies to the position and provided unique memories for those of us who watched them In *Guardians of the Goal* each one of these brave men is discussed in chronological order while providing an overview of their era and the general managers and coaches they played for Such players highlighted in this book include Mike Richter Ed Giacomin John Vanbiesbrouck Henrik Lundqvist Davey Kerr And many more Regardless of whether they were a franchise goalie a flash in the pan or an emergency fill in each of these Lone Rangers or as Steve Baker once called them The few the proud and the very busy have one thing in common they all tried their best to keep that little one inch by three inch piece of frozen vulcanized rubber out of the gaping twenty four square foot chasm behind them Some were more successful than others but as you will see although they may occasionally steal a game in most cases a goaltender is only as good as the team in front of him *Guardians of the Goal* is just that an ode to those

Blueshirts who laid it out night in and night out leaving it all out on the ice for our Rangers

The Toronto Maple Leaf Hockey Club Kevin Shea, Jason Wilson, 2016-10-18 Published in partnership with the Toronto Maple Leafs and officially licensed by the NHL this is the one and only official Toronto Maple Leafs Centennial publication The Toronto Maple Leafs are one of the most storied franchises in all of sport and without question the most recognized team in all of hockey Through this journey of a hundred years of Maple Leaf hockey fans will read of ups and downs triumphs and tears laughter and laments This publication tells the Leafs complete history and introduces fans to coaches as well as such legends as Apps and Armstrong Kennedy and Keon Broda and Bower Salming and Sundin but also players who wore the Blue and White and left far more modest legacies It takes fans to Toronto s first game the construction of Maple Leaf Gardens and subsequent move to the Air Canada Centre It celebrates Toronto s Stanley Cups and Hall of Fame players and demonstrates that through each exciting season the Toronto Maple Leafs have forever remained our team and enjoyed the incredibly loyal support of a nation of fans Published in complete partnership with the Toronto Maple Leafs and scheduled to release as the Leafs enter their 100th season this official centennial publication includes contributions from many of the biggest names in Leaf history Author Kevin Shea gained unprecedented access to players past and present as well as team executives to offer this book the most compelling informed and accurate portrayal of Toronto s historic hockey team and their important place in both the world of hockey and the culture of Canada Combined with incredible archival photographs and a truly incredible design this is the definitive and must have book for fans of the Blue and White

The California Golden Seals Steve Currier, 2020-10-01 Hockey has had its share of bizarre tales over the years but none compare to the fascinating story of the California Golden Seals a team that remains the benchmark for how not to run a sports franchise From 1967 to 1978 a revolving door of players apathetic owners and ridiculous marketing decisions turned the Seals originally based in Oakland into hockey's traveling circus The team lost tons of money and games cheated death more often than Evel Knievel and left behind a long trail of broken dreams Live seals were used as mascots players wore skates that were painted white on an almost daily basis and draft picks were dealt away nonchalantly like cards at a poker game The California Golden Seals examines the franchise's mismanaged but always interesting history from its ballyhooed beginnings as a minor league champion in the 1960s to its steep slide into oblivion in the late 1970s after moving to Cleveland Through a season by season narrative Currier brings to life the Seals history with lighthearted anecdotes personal interviews and statistics about hockey's most infamous losing team

Paper Trails Roy MacGregor, 2023-08-01 One of Canada's greatest journalists shares a half century of the stories behind the stories From his vantage point harnessed to a tree overlooking the town of Huntsville he tended to wander a very young Roy MacGregor got in the habit of watching people what they did who they talked to where they went He has been getting to know his fellow Canadians and telling us all about them ever since From his early days in the pages of Maclean's to stints at the Toronto Star Ottawa Citizen National Post and most famously from his perch on page two of the Globe and Mail MacGregor was one of the country's must read journalists While news media were leaning increasingly right or left he always leaned north his curiosity trained by the deep woods and cold lakes of Algonquin Park to share stories from Canada's farthest

reaches even as he worked in the newsrooms of its southern capitols From Parliament to the backyard rink subarctic shores to prairie expanses MacGregor shaped the way Canadians saw and thought about themselves never entirely untethered from the land and its history When MacGregor was still a young editor at Maclean s the 21 year old chief of the Waskaganish aka Rupert s House Crees Billy Diamond found in Roy a willing listener as the chief was appealing desperately to newsrooms across Ottawa trying to bring attention to the tainted water emergency in his community Where other journalists had shrugged off Diamond s appeals MacGregor got on a tiny plane into northern Quebec From there began a long friendship that would one day lead MacGregor to a Winnipeg secret location with Elijah Harper and his advisors a host of the most influential Indigenous leaders in Canada as the Manitoba MPP contemplated the Charlottetown Accord and a vote that could shatter what seemed at the time the country s last chance to save Confederation This was the sort of exclusive access to vital Canadian stories that Roy MacGregor always seemed to secure And as his ardent fans will discover the observant small town boy turned pre eminent journalist put his rare vantage point to exceptional use Filled with reminiscences of an age when Canadian newsrooms were populated by outsized characters outright rogues and passionate practitioners the unputdownable Paper Trails is a must read account of a life lived in stories
