Stitched Together Bob Thompson, 2019-10-15 When Bob Thompson asked his granny years ago why she continued to create so many of her beautiful quilts she said it was the only way she could reach across time touching and giving her descendants her energy And just like his granny Thompson s gift of storytelling provides a reverence and buoyancy all its own This collection combines personal and family experiences to create a patchwork quilt of gripping stories with the comfort of memory Thompson draws on his mother s seventy years of diaries handwritten notes and recipe cards to reveal that every story no matter how small has some wisdom to impart He describes how as a child he would pass his days on the front porch of his granny s country store in western Kentucky and listen to regulars swap stories and spin yarns which cemented his passion for storytelling His granny s methods of quilting provide an interesting perspective on life She never hurried her stitches were small and even Fascinated with numbers I counted as many as eight hundred per square and did the math sixteen thousand for a twin bed sized quilt When I mentioned that some of Great Grandmother Brim s quilts had stitches so large that you could get your big toe caught in them Granny smiled and said It s not the size of the stitches that count it s the spaces between them Thompson s poignant narratives of community friends and family impart the significance of the quiet moments and meaningful spaces between everyday events In doing so they demonstrate that there is something to be gained from every human experience
